RE: Munger, et al. v. Davis, et al., No. 21-774  
Motion to Extend Time to Respond to Petition for Writ of Certiorari

Dear Mr. Harris:

Pursuant to Rule 30.4 and your February 2020 Memorandum Concerning Deadlines for Cert Stage Pleadings and The Scheduling of Cases for Conference, I am writing on behalf of Respondents Brenda Davis and Fred Stufflebean to request a 30-day extension of time to file a brief in opposition to the Petition for Writ of Certiorari filed with the Court on behalf of Michelle Munger, et al. on November 19, 2021 and docketed on November 24, 2021. According to the Court's docket the Response is currently due December 27, 2021:

I am counsel of record for Respondents in the above-referenced matter along with my colleagues Michelle Carpenter and Pamela Blevins. None of us is currently a member of the Bar of this Court and acknowledge that the brief in opposition must be filed by a Bar member. I have been consulting with practitioners of the United States Supreme Court to select co-counsel for assistance in preparing Respondents' brief in opposition to the Petition for Writ of Certiorari. The intervening holidays have made that process more difficult.

Accordingly, we respectfully request a 30-day extension of time until January 26, 2022 to file a brief in opposition to the Petition for Writ of Certiorari.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "W. William W. Bird".

WILLIAM W. BIRD
