IN THE
SUPREME COURT OF THE UNITED STATES
PETITION FOR WRIT OF CERTIORARI

Petitioner respectfully prays that a writ of certiorari issue to review the judgement below.

OPINIONS BELOW

Federal Court.

The opinion of the United States Court of Appeals in Appendix's A and B were not published as part of the governments cover-up for political crimes.

Jurisdiction

Federal courts:

The date on which the United States Fifth Circuit Court of Appeals decided my case was; March 17, 2022

No petition for rehearing was needed due to the government's continued cover-ups.

The jurisdiction of this court is invoked under 28 U.S.C. Section 1254(1).

Constitution

When there was a reasonable likelihood that the jury misapplied the reasonable doubt standard. The trial was infected with a structural defect which vitiates all the jury's findings. Sullivan, 508 U.S. at 281, 113 S. Ct. 2007. Simpson's motion granted.

Reversal

Berns, 103 S. Ct. 3308, 3313 (1983). Counsel's failure to raise an issue which if raised would have resulted in a reversal or modification of the conviction constitutes a sufficient ground to find Z.A.C.

Witnesses

The Sixth Amendment guarantees the right of the accused to secure defense witnesses and cross examine the state's witnesses with the tech.

Constitutional

Constitutional Law § 840.3 proof beyond reasonable doubt.

Recusal

The Constitution requires recusal where the probability of actual bias on the part of a judge or decision maker is too high to be constitutionally tolerable. Withrow, 421 U.S. at 47, 95 S. Ct. 1456.

Jury Strikes

Unconstitutional juror strikes, like other structural errors, create the kind of problem that defies analysis by harmless error standards. Neder, 527 U.S. at 7, 119 S. Ct. 1827; See Hillery, 477 U.S. at 262, 106 S. Ct. 617. ~~§~~

Statement of the Case

All evidence and exhibits can be found in case No. 21-5439. This is a Republican Party cover-up for ex-Texas Gov. Rick Perry's collusion crimes with billion dollar corporations of Baylor College of Medicine and Texas Children's Hospital during his Presidential Campaign in 2012.

I.

The current Texas Gov. Greg Abbott was Perry's Attorney General, both worked together to cover-up my exposing Perry's collusion giving criminal and liability protection to said corporations in exchange for political funding and bribes.

II.

The best break down of this case is the Fifth Circuit Brief; Application for Certificate of Appealability and the C.O.A. All One-Hundred and Eighty plus pages (180+) Exhibits are all listed for easy identification.

III.

Please note that the Supreme Court Clerk, Scott Harris is believed to be part of this ten (10) year cover-up and is either Republican or bribed.

IV.

This case can be broke up into four (4) parts. They are as follows:

I received a correspondence from Scott Harris
directly. (Not prepared by another staff
member) which is unusual. He states
in this correspondence "dated" October 18,
2021 that the case was dismissed. In
other words he withheld or fabricated
this delayed notice to stop me obtain-
ing a Review wherein "Actual Justice"
could ascertain the truth... This told
me he was on the payroll of this
ten (10) year cover-up. One would
have to simply ask after ten (10) years
of fighting to expose this cover-up
would I really not seek my ~~and~~ only

chance for Review? Would I not men-
tion this in the civil action I filed on
January 4, 2022? Until a judge with
integrity views these facts and evidence
I'll remain a United States Republican
Party Political Prisoner.

IX.

This case although directly related to
this cover-up conspiracy is only concern-
ing the corrupt defense counsel who
sold me out to cover-up for
Gov. Perry's and Greg Abbott's collusion
cover-ups, my false imprisonment,
child abduction of my son etc etc.

X

State Prison officials have been an intrinsic part of the State's court-up operation by stealing and misappropriating all mail seeking outside help. I can do nothing about it and the State courts will not help, nor as seen will the Federal courts.

XI.

Duckworth as seen withholds the Brady Evidence in Count No 1. Prosecutor Jeff Hohl stated he given the phone records to him, ~~the~~ the Additional Phone Call Evidence. They never were

3. Fraud lying to C.P.S. in their office/investigation
4. Medical records Fraud.

Witnesses

Exhibit No. 106-110 prove I was complaining because Duckworth refused to subpoena my defense witnesses. Looking at all the people who agreed with me that the State's witness, Dr. Zenn E. Drexler was lying about my medically neglected son to illegally gain child custody by his fabricated medical records. Both Beyler RN, Rubin Heidecker and Beyler Social worker

; Jeckgulya Okeke agreed both times
Dr. Dreyer made her false allegations of
medical neglect that they found none.

U.S. District Court Judge, James Douglas
Squier also "struck out" ^{see 54} Dr. Dreyer's med-
ical neglect. Then Child Protection
Sent Services Supervisor, Pamela Thomas
and Caseworker, Amy Loggins both
"Ruled Out" the medical neglect. See
(Exhibit No. 19).

These defense witnesses were
key to exposing the corporate crimes and
liabilities. See Exhibit No. 150A-150D.
Duckworth states both Herdecker and Okeke
would "negatively" affect my defense.

offense because that was their plot. They
added the (103) YouTube videos of Dr. Dreyer
to the (4) of the judge to confound them.
The charge is Assault by YouTube video,
but the jury doesn't know the "definition"
of assault or which YouTube were about
Judge Guilbert. They were being duped by
these Con-Artists to find me guilty to
protect Gov. Rick Perry's Presidential
Campaign.

XXIII.

See (Exhibits No. 134-139) At No. 135 you
see me exposing Gov. Rick Perry calling him
a "Child Molester", that's one reason they
had to silence me. See No. 137 where

(Exhibits No. 47 and 48) Dr. Dwyer deny-
ing the fabrication of my son's med-
ical records to cover-up the Corporations
she made hobbly. Baylor insured her
and she fabricated Texas Children's med-
ical records. See (Exhibit No 45) See the

top of the page, right side. That's where
she faxed it from Texas Children's Hos-
pital to my wife's Lawyer's she been
conspiring with on November 15, 2012 the
~~main~~ morning of the Child Custody Hear-
ing wherein my wife's Lawyer could
present it to Judge Jennifer Rob-
in into removing my son from me
illegally. This came after three (3)
prior Failed attempts.

Rick Perry's appointed "discretionary hired" Director to the Texas Medical Board, Dr. Travis Zeffler covered up Lucia Dr. Dreyer's crimes and subsequently the Corporations (rehabilitates), that's why Z made the Child Molester video. (Exhibit No. 54) Shows Judge James D. Squire Struck Out Dr. Dreyer Res, & my Annulment.

XXV.

(Exhibits No. 90A and 356) At 356 shows my correspondence to Private Investigator Merlin H. Jacobson, Panorama Village, TX. who the Corporations hired to stalk me & home. See (Exhibit No. 136) where

XVII.

(Exhibit No. 152) (Enclosed) is from my Affidavit. The Plaintiff Judge Gilbert allows the corporations to deny my "defense witnesses". See: Brehmhall, Okeke, Herbach, Dreyer etc. He is a "Baylor Graduate" and took bribes after unethical meetings with the corporate Attorneys. He did many prejudicial acts in the furtherance of this cover-up. That's why I made the four (4) YouTube's concerning him.

XVIII.

(Exhibit No. 140) (Enclosed) shows Dickweather Melvin Lee New Trial concerning the Adulterous Phone Call Evidence he kept with him/long.

XXIX.

The evidence in Case No. 21-5439 Supreme Court of Scott Harris has not removed it prove that over the past ten (10) years since the Annulment of 2012 all that is done is try to expose their crimes and cover-up while the Republicans have done everything they can short of murdering me to cover it all up. Duckworth and Padner were a major part of this cover-up as was all present on the Court Room Bench. Conspiracy is proven over and over, through my Appeal/Annulment, Refusal to put on the four defense, or allow me to view discovery, select witnesses, present evidence, subpoena witnesses, etc etc etc.

Z was "premeditated" took planning and continued over the past ten (10) years.

Relief

Due to the premeditation of my intentional/ wrongful imprisonment, the eight (8) plus years Z spent in prison, the irrefutable irreparable damages done to the father/son relationship and husband/wife relationship (new wife), theft and loss of property, duress, slander, emotional anguish etc. etc. I see the "permanent" disbarment of Duckworth and Rex for life and \$46,000,000,00 million dollars, to

begin the rebuilding process of all our
lives. I seek a Federal investigation
wherein all the evidence may be col-
lected, all witnesses finally called and
justice may be finally done. Prison
officials here and are still making it
very difficult to bring all the
evidence and facts to this court, but
one must remember this is a conspiracy
of the Republican Party.

Respectfully submitted

cc: Defendant.

Reasons For Granting The Petition

1. The Defendants were part of a Criminal Conspiracy to cover-up political crimes and while operating in their official capacity as a Bar Certified Member did undertake a criminal enterprise to plot and abuse their legal standings to silence a Political Whistleblower freedom of speech by rigging his criminal trial to have him ("Intentionally Wrongfully Imprisoned") for favors and or bribes.
2. A Political Criminal Conspiracy directly related to this case is still continued by Republican Party

Organized Criminal Members.

3. The defendant was denied all his basic constitutional rights to:

- a.) defense witnesses
- b.) defense evidence submitted
- c.) defense discovery
- d.) fair and impartial trial
- e.) open court room
- f.) jury selection
- g.) legal counsel
- h.) motions
- i.) impeachment of the witnesses
- j.) fair appeal
- k.) an informed jury

- l.) they withheld the "Brady Evidence,"
- m.) they deleted official court transcript.
- n.) there was a "clear" and well known conflict in the attorney / client relationship.
- o.) the trial judge made eleven (11) jury strikes to stack the deck against me.
- p.) the trial judge "openly" proved she was prejudice and bias against me.
- q.) the trial judge and appointed defense counsel worked in unison to withhold the Brady Evidence to allow the Plaintiff's wife to lie to the jury members.
- etc. etc. etc.

4. Evidence proves my "Actual Innocence".
5. Evidence proves the State's witnesses
corrupt crimes which made them
liable.
6. Evidence proves I had no constitut-
ional rights to present my "defense".
7. Evidence proves that the government
covered up all these violations and
did it to protect Rick Perry and
Greg Abbott's collusion crimes giving
protections to billion dollar corp-
orations in exchange for political
fundings and bribes, including the
intentional/wrongful imprisonment
of innocent Americans.

notify the Media, Government officials (Federal) and attorneys who could have exposed them to secure my false imprisonment. Relief should be granted for mental anguish, emotional suffering, duress, actual harm, actual damages, loss of life, theft of property, irreparable damage to the husband/wife relationship, irreparable damage to the father/son relationship, for conspiracy, collusion, racketeering, cover-ups and torture.

The petition for a writ of certiorari should be granted.

Respectfully submitted,
Michael H. Peters

Petitioner

38. April 28, 2022

CONCLUSION

In conclusion the petitioner was entitled to constitutional rights and to protect his son from being abducted through fabricated corporate medical records. He was intentionally wrongfully imprisoned to silence his right to expose corporate criminals who plotted to steal his son. The government became involved to intercede for the corporate criminals for bribes and political fundings. They made me a political prisoner for the past eight (8) years and stole all his property. I lost years of my life, my son and newly wedded wife, Aileen O'ong Peters. The State Government used its prison staff to ensure I could not
