12. Provide any other information that will help explain why you cannot pay the costs of this case. By entering and certifying incorrect entries into Oregon's child support worksheet to derive false grossly overinflated support and arrears as basis, State administrators with conflicts of interest took away all licenses and assets to be stranded and blocked from earning income, and prosecuted me precipitating current medical crises that further cemented unemployment and indigence. Spouse separate finances unknown due to being cut off when said administrators seized meager assets from her and the minor children who do not owe any support or arrears. She made about \$20 an hour at cut off. Please also see attached Petition for additional details. I declare under penalty of perjury that the foregoing is true and correct.
