CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

Honorable Judges please be kind to
see appendix attached. It narrates my constitutional
rights to live dignified life.

STATEMENT OF THE CASE

Every woman living in this world deserves a dignified, respectful life. I, personally, am not open person, at all, who likes to be touched by any person against my wish. My body is not public property that anybody and everybody can touch it. No one has and should have right to outrage my modesty.

I very clearly asked Attorney James Millikan, working with the office of Public Defender in Montgomery County of Maryland, not to touch me again when he touched me first time while discussing the case. He, however, acted as if he has no fear or respect for the laws country has against sexual harassment. I, as a law abided citizen, wrote a letter to the Attorney General, Brian Frosh, of Maryland. I was hoping that Mr. Brian Frosh being studded with law degrees will understand the gravity of criminal offense conducted by Public Defender Attorney James Millikan and will get police case registered against him and, also, will get him debarred of practicing law in the country to establish rule of law in the state of Maryland and country as whole. My expectation to see Maryland governed by laws and rules "shattered" completely when I got no response from the office of Attorney General in return of my complaint till date. Attorney General acted as if James Millikan did some commendable job. Hope mental equilibrium of James Millikan and Brian Frosh is out of order.

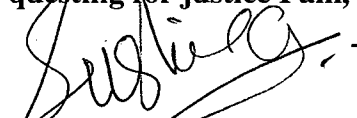

They made the land of Mother Mary called and known as Maryland shed the tears of blood. Children of Mother Mary, sitting in the highest court of country, will wipe the tears of Mother Mary and will assure that no woman in the country falls prey of criminals such as James Millikan and Brian Frosh, I hope and pray for, so that women of our country feel safe. You can well imagine how they might be treating the women walk through the doors of Public Defender's Office to seek help.

Mesdames and Messers! No woman would be safe to walk out of the house if people like James Millikan and Brian Frosh are let go free. Women will be molested, raped and kidnapped in broad day light if criminals like attorney.

I exhausted my rights by lodging complaint with the office of AG, Brian Frosh, of MD. Failing getting justice from there I knocked the doors of Courts only after being disappointed by Brian Frosh; who happens to be Attorney General of Maryland; very unfortunately though. People, James Millikan and Brian Frosh, who should be behind the bars are serving a law implementer. There cannot bigger insult of the system.

Relief I request from the Honorable Court – I should be compensated for \$1 billion for the mental, emotional torture I have been subject of. No dollar amount can compensate the wounds I got at the hands of these criminals. I will humbly accept any amount Honorable Court thinks is OK for me. And Millikan and Frosh should be tried under the law for committing the crime and defending a criminal.

With sincere gratitude and utmost respect for judges working with The Honorable Supreme Court questing for justice I am,

Sushila Gaar

Statement of Facts

It is painful to knock at the doors to courts. Very specially when a person in me has no background in legal field. However, exposing the criminals, I am sure, is my duty and seeking justice is my right

Honorable Judges! Attorney James Millikan from the Office of Public Defender in Maryland represented me in one of my cases. He touched me during the time he discussed case with me. I asked him not to do so. He, however, being criminal, did touch me again February 24, 2020.

I lodged complaint with the office of Attorney General of MD. However, no action was taken against him. Seems like Office of Attorney General of Maryland promotes Sexual Harassment and protects criminals. I, at this stage, was left with no option but to knock at the door of the place we go to seek justice called Court.

It is very unfortunate that my petitions were denied at the Federal Courts, District and Appeal. I, therefore, decided to knock at the doors of The Supreme Court once judges in the District and Appeal courts were sympathetic to criminals.

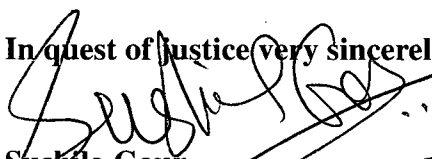

Culprits in this case are depending on gimmicks and misusing their power and contacts. They had me send the form for "inmates" to fill out; in order to file Briefs. It shows their clouts in the system and their manipulating misadventure to use system as slave. They want to convey the message to people that they are powerFOOL and can walk away doing any crime they want to and system cannot punish them.

Another shocking judgement came from Appeal Court. Judges said that they have not violated any Federal laws by sexually harassing me, hence case doesn't not stand ground in Federal Court. I respect judicial system and hope The Honorable Supreme Court will correct the mistakes of judges of District and Appeal court

I request Honorable Court to give me justice by punishing culprits and grant me monetary relief. Also, would like to extend request to order police to file criminal cases against James Millikan and Attorney General Brian Frosh. I could not gather enough courage to do so anticipating that they can influence police to get me framed in fake case.

Honorable Court has rights to suspend their licenses for whole life so that they do not exploit any other woman on pretext of helping.

In quest of justice very sincerely I am,
