Re: *Mark Donelson v. Ameriprise Financial Services, Inc., and Mark Sachse*

Our Client: Mark Sachse  
 Case No.: 21-842

Dear Mr. Harris:

We have been made aware that this Honorable Court has requested a Brief in Opposition from our firm with regard to the above-referenced matter. This firm respectfully requests an extension of 30 days to file the Brief in Opposition, up to and including March 25, 2022.

This letter correspondence is being submitted in paper form as we are in the process of locating local counsel who is a Bar member and, in the interim, awaiting my own admission to this Court. This extension is necessary to allow time for myself to obtain admittance to this Court, to allow for the same timeline as co-defendant, Ameriprise Financial Services, Inc. (as they have received an extension until 03/25/22), and to properly and comprehensively respond to Donelson's Petition.

Thank you for your time. I can be reached via email at mhook@wshblaw.com or by mail at 5 Waller Avenue, Suite 200, White Plains, New York 10604.

Very truly yours,

WOOD, SMITH, HENNING & BERMAN LLP
