RE: Docket No. 21A29 Writ of Injunction to Clarence Thomas

Mr. Harris:

In compliance with rule 22(4) I submit to you this letter to serve the attached 10 copies **Emergency Application For Writ Of Injunction To Vacate Unlawful *Sua Sponte, Ex Parte, Ex Post Facto* Temporary Orders Of Protection And A "Guardianship" Order Petitioned By Defendants**, to Associate Justice Clarence Thomas of the United States Supreme Court, now addressed. For judicial economy, I submit one full and complete copy of the petition and 834 pages of exhibits, and nine additional copies of the petition with links to all exhibits, as the full and complete copy of the petition and exhibits is already on file with the Clerk's office, with electronic submission. All submissions must be taken in a light most favorable to a Pro Se litigant.

I call to your attention the gross impropriety of the Clerk's Office thus far as partially outlined in Appendix 46 of this Writ, including but not limited to the refusal to file documents properly and timely, in violation of 18 U.S.C. §§ 2076, 2071, and the failure to perform the duties enjoined upon you by oath and by law. I respectfully demand this ends forthwith. You are compelled by lawful practice to contact me at the phone number or email above to address my concerns and the clerk impropriety. To wit, Clerks of the U.S. Supreme Court willfully delay docketing my filings, conceal my filings, do not properly stamp my filings, change the rules under

which I file, refuse to upload appendices and refuse to provide the public access to the filed appendices. Clerks repeatedly hang up on the public and Pro Se Plaintiff when we inquire about how to gain access to the appendices. Clerks refuse to electronically serve me Orders of the Court or upload the Orders onto the public site, and instead serve the Orders to an address only accessed by my domestic violence abuser, Brian Stryker Weinstein.

I thank you in advance for your prompt, lawful attention to these issues.

Kindly and Respectfully,

A handwritten signature in blue ink, appearing to read 'Elizabeth Weinstein', is written over the typed name. The signature is stylized with large loops and a long horizontal stroke at the end.
