OFFICE OF THE CLERK

Please consider this letter a formal request for an extension to file my
Petition for Writ of Certiorari, Informa pauperis which is due on or
before, February 24, 2022. I am asking for an extension of 60 days, for
the Petition to be due on or before, Monday April 25, 2022. This request
for an extension is due to challenges I am facing to timely file my
Petition due to my disabilities. I have attached the higher courts
order(s).

Sincerely,

Kecia Porter
