MOTION FOR EXTENSION OF TIME TO FILE A WRIT OF CERTIORARI

I, Pro Se Toya M. Gibson in the above filed case, #18-20511 hereby prayerfully request that the Supreme Court of the United States agree to allow me 45 additional days to file the Writ of Certiorari. This request is being made as I continue to endure hidden homelessness preparing to relocate to stable housing.

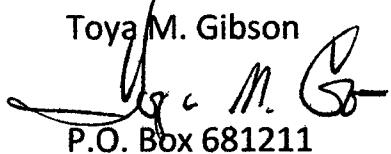

Additionally, due to a family medical emergency as explained to the Fifth Circuit Court of Appeals, I am the sole person caring for a Parent that was recently released from the hospital. In combination to the aforementioned, due to the overwhelming years of libel in this case against me that has continued to fuel false narratives being made leaves me no other choice than to gather emotional support via counseling to continue with my case. I am no less interested in my case and believe that an additional thorough review of all the evidence submitted to date filed and evidence sent to the Fifth Circuit Court of Appeals that was not considered will suffice.

Please know that consideration given will be appreciated.

This I pray in Jesus name, Amen.
