Et al. Jeffery Moss Attorney 35 Mill Street San Rafael

This is a request to ask for more time (another 60 days) due to the fact I had Covid for 3 ½ weeks in which my lungs were compromised and was involved in trying to save a property under the same scheme that is occurring in this case. That would be Temple Texas Case #324 994 under Judge Cari Starritt Burnett. PLEASE GRANT ME LEAVE TO FILE MY CONSTITUTIONAL QUESTIONS AND ANSWERS IN 60 DAYS.

I need time to find an attorney.

My question will be:

CAN ROOKER FELDMAN LEGALLY BE COMINGLED?
CAN A COURT CONSTRUCT DOCUMENTS AND FILE A JUDGMENT ON THOSE DOCUMENTS THAT WERE NEVER PRODUCED or NEVER EXISTED?

There may be other questions since a **provable manifest injustice** occurred in this case!

Respectfully yours,
Colette Savage please note this address!
