Request for extension of time to file Writ of Certiorari from the following :

*Siddeeq v. DeKalb County*, No. 1:17-cv-01327-SCJ, U. S. District Court for the Northern District of Georgia, Atlanta Division. Summary Judgment in favor of DeKalb County was granted by the District Court on December 2, 2019.

*Siddeeq v. DeKalb County*, No. 20-10155-HH. On December 20, 2021, the Eleventh Circuit affirmed the district court ruling.

Honorable Court:

This letter is to request an extension of time to provide the properly formatted booklet. I have prepared a Writ of Certiorari for submission to the Court, however, I was unaware until recently the Court recension of the COVID-19 allowances and I am having a great deal of difficulty in finding a printer in my local area that can print and bind to the Court's standards. The local printer I did identify was unable to provide the proper paper weight and size after assuring me they could do so. I have since identified an out of state resource and I respectfully request at least 14 days extension to utilize that resource successfully. I understand this request is not within the 10 days prior to my 90 day deadline, which was today.
