REQUEST FOR EXTENSION TO FILE
PETITION FOR CERTIORARI

COMES NOW the Petitioner (Arseles D. Miller) herewith

respectfully petition and/or request for extension of time pursuant to Rule 13.5, to file petition for writ of certiorari and to be extended 60 days, to and including June 4, 2022. The petition in the above-style case number by Rule 13.3 is due based upon statutory limitation which began to run from the Eleventh Circuit - District Court of Appeals unpublished order/opinion issued on 1/4/22. See (Appx A). The following is present in good faith for extension:

1.) This request is necessary and for good cause, due to security operation, whereas, the law library staff was placed on quarantine for covid-19 in the ending of January and February. The rescheduling of the law library has frustrated Petitioner's efforts to make the law library because of priority deadlines and security operations being short of staff.

2.) However, Petitioner will try to have petition ready before the requested 60 days but just in case circumstances beyond Miller's control take place, Miller will be safeguarded by the requested time.

3.) In this manner, this Court should find good cause for the requested extension for time.

Executed 21 day of March, 2022.

Respectfully Submitted,
Arseles Devon Miller #530846
