

IN THE  
SUPREME COURT OF THE UNITED STATES

No. \_\_\_\_\_

DR. USHA JAIN AND MANOHAR JAIN

Petitioners,

v.

DAVID BARKER, MARY BETH VALLEY, MICHAEL FURBUSH  
Respondents,

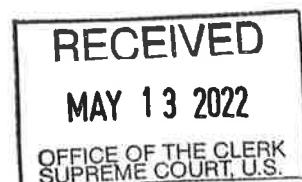

**APPLICATION OF DR. USHA JAIN AND MANOHAR JAIN FOR AN EXTENSION OF  
TIME WITHIN WHICH TO FILE A PETITION FOR A WRIT OF CERTIORARI TO  
THE UNITED STATES COURT OF APPEALS FOR THE ELEVENTH CIRCUIT**

To the Clerk of the Court or Honorable (Justice) of the (Court of the above circuit)

Petitioners Dr. Usha Jain and Manohar Jain appearing *pro se*, pursuant to Rule 13(5) of the Rules of this Court hereby moves for an extension of appropriate time of 60 days, to and including May 17, 2022, for the filing of a petition for a writ of certiorari to review the decision of the United States Court of Appeals for the eleventh circuit dated January 11, 2022, on which a timely petition for rehearing and for rehearing en banc and Motion for Issuance of Written Opinion was denied on February 16, 2022. The Order for granting the Judicial Notice is also attached herewith. The jurisdiction of this Court is based on 28 U.S.C. § 1254(1).

The application for extension is being filed 10 days prior to the due date of May 17, 2022 and copies of opinions are attached as per rule.

1. The date within which a petition for writ of certiorari would be due, if not extended, is May 17, 2022.

2. This court has jurisdiction to hear the judgment of highest court of the state regarding the violation of federal statute, federal law and the Constitution of United States of America.

3. The petition is worth the time because the opinion was without jurisdiction. Important questions of regaining of jurisdiction by the state court per Federal Statute 28 USC § 1447(c) were determined adversely by the court below.

4. The petition is necessary for the violation of due process rights affecting the livelihood. (Violation of federal statutory rights of due process and equal protection bestowed by the 14th amendment of pro se litigants which affect millions of people in the country every day).

5. The petition is necessary because minority Dr. Jain was demanded to attend the hearing while working on the multiply injured patient without a proper notice. This case is of exceptional importance especially to the jurisprudence of United States and Florida as a judicial precedent.

6. Extension of 60 days is requested because the Jains are recovering from COVID infection and using the hyperbaric oxygen to have a complete recovery.

Respectfully submitted on this 5<sup>th</sup> day of May, 2022.
