RE: Application for an Extension of Time

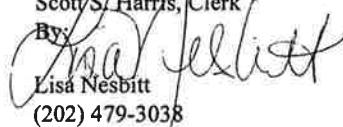

Dear Mr. Jordan:

The application for an extension of time within which to file a petition for a writ of certiorari in the above-entitled case was originally postmarked March 1, 2021 and received again on April 13, 2021. The application is returned for the following reason(s):

The Court has already extended the time to file all petitions for a writ of certiorari for the maximum period of 60 days (see the enclosed order).

You have 150 days from the date of the lower court order denying a timely petition for rehearing/reconsideration to file your petition for a writ of certiorari.

Sincerely,  
Scott S. Harris, Clerk

Second Circuit 19-2987

MOTION FOR EXTENSION OF TIME

Now comes Mr. Jordan before this Honorable Court to move for an extension of time to file his petition for a writ of certiorari, and accompanying papers. Specifically, he requests the maximum extension allowable (60 days) out of an abundance of caution. (He presently understands that his petition is due on or before January 3, 2022.) In support of this motion, Mr. Jordan states the following (pursuant to 28 USC sec. 1746) under the penalty of perjury.

1. Mr. Jordan previously moved for an extension of time by motion filed on April 13, 2021. That motion was returned as unnecessary with a cover letter from the clerk (by Lisa Nesbitt) explaining that "you have 150 days from the date of the lower court order denying a timely petition for rehearing ... to file your 'petition for a writ of certiorari.'" (Exh. A).

2. On August 6, 2021 (in Second Circuit case no. 19-2987) said petition for rehearing was denied (Exh. B).

3. Owing to the current pandemic, Mr. Jordan has no access to a law library. He is also 62-years-old and suffers from several serious, chronic, medical

conditions (including degenerative disc disease and brain lesions) that cause extreme pain and dizziness. He is pro se by financial necessity, and serving 40 years in prison after convictions for non-violent witness tampering.

4. It may be that Mr. Jordan can finish shortly before January 3, 2022, but outgoing institution mail has been problematic during the pandemic and substantially delayed.

Thus, Mr. Jordan prays this Court grant him the maximum of any available extension to file his petition.

Date: August 17, 2021

Respectfully submitted,

Joseph Jordan, 60818-054

Re: Petition For Writ of Certiorari (Jordan v. USA, Second Circuit Case no. 19-2987)

Dear Clerk of Court:

Please find enclosed (in these two mailings) my submission of a Petition For A Writ of Certiorari (from the Second Circuit Court of Appeals) with related filings.

Specifically, enclosed are:

- ✓ 1. Petition For Writ of Certiorari (with Certificate of Service on last page);
- ✓ 2. Special Appendix (with lower court orders and relevant statutes);
- ✓ 3. Motion For In Forma Pauperis Status (with affidavit regarding finances);
- ✓ 4. Record Appendix (3 volumes).\*

\* = The "Record Appendix" may be in separate envelope (mailed same date).

Also enclosed is a motion to accept 42-page petition (it's really less because several pages are just partial pages owing to the manner in which I had to prepare them), and a motion for the appointment of counsel.

Thank you very much.

Respectfully yours,

Joseph Jordan, Reg. # 60818-054

RE: Jordan v. United States  
USCA2 No. 19-2987

Dear Mr. Jordan:

The above-entitled petition for a writ of certiorari was postmarked January 3, 2022 and received January 11, 2022. The papers are returned for the following reason(s):

The petition is out-of-time. The date of the lower court judgment or order denying a timely petition for rehearing was August 6, 2021. Therefore, the petition was due on or before November 4, 2021. Rules 13.1, 29.2 and 30.1. When the time to file a petition for a writ of certiorari in a civil case (habeas action included) has expired, the Court no longer has the power to review the petition.

Sincerely,  
Scott S. Harris, Clerk
