To the Clerk of the Supreme Court,

I am requesting a renewed application designated to Justice Clarence Thomas. I want to know as well if a Petition for Writ of Certiorari case opened in my name in this court because I mailed a petition but did not receive anything advising that the documents were received. I also need another example packet format of how to file a petition for writ of Certiorari. Another thing is if I submit a new order from the Maryland Court of Appeals for another Application for bail, is that considered a new application or would I have to file it as a renewed application. ~~I am also asking if I can file a Petition for Writ of Habeas Corpus for myself.~~

Signed,
Keishon Thompson
