

No. 21-5458

In the Supreme Court of the United States

HENRY J. DULAURENCE, III

Petitioner

v.

DOUGLAS P. WOODLOCK, ET AL.

Respondent

PETITIONER'S APPLICATION FOR ADDITIONAL TIME

Now comes the petitioner in the above titled action and requests this Court to allow him the additional time of 30 days to first find a printer who will print the 40 copies of his 50 page Petition, and type set an additional 100 pages of appendix, and then be able to get the material to that printer, as the petitioner is 82 years old and has no modern day capability of sending the material over the internet. The Court for some unknown reason denied Petitioner's Motion for Leave to Proceed *In Forma Pauperis*, as he is already heavily in debt, and then only gave him until November 2, 2021 to complete all of this.

Respectfully submitted,

A handwritten signature in cursive script, reading "Henry J. DuLaurence". The signature is written in dark ink and is positioned above a horizontal line.
