**Motion to Direct Clerk and Motion for Extension of Time to File Petition for  
Writ of Certiorari**

To Honorable Associate Justice Clarence Thomas:

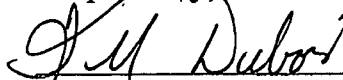

Now comes K. M. Dubois, the Petitioner, representing herself pro se, and for good cause, moves Honorable Associate Justice Clarence Thomas to determine if the Petition for Writ of Certiorari was timely or alternatively to direct the Clerk to file and grant this untimely Motion for Extension of Time for Petitioner to File the Petition for Writ of Certiorari given extraordinary circumstances, so that the Petition for Writ of Certiorari is considered timely filed.

There was confusion pertaining to the recension of the COVID Orders issued by Court July 19, 2021, and Petitioner thought it meant the 150 day extension to file no longer applied to the case, and the ongoing Covid pandemic has created extraordinary circumstances, although multiple messages were left with the Clerk's office, given working remotely, no calls were returned. However, upon learning that the 150 day extension still applied, the Petition for Writ of Certiorari and Appendix was mailed, postmarked August 17, 2021, but the Petition was returned with the

attached letter from the Clerk's office stating the Petition was due on August 16, 2021 given the March 19, 2021 denial date. However, the understanding of the computation of time pursuant to Supreme Court Rule 30.1 was to not include the day upon which the order was written making the 150 day count begin March 20, 2021, and the deadline to file August 17, 2021. Supreme Court Rule 29.2 states it is considered timely if postmarked on or before the due date. If, However, the Rule 30.1 computation of time, which does not include the date the order was issued, does not apply to the March 19, 2020 Covid Orders 150 day extension making the deadline August 16, 2021 instead, Petitioner moves the Honorable Justice to direct the Clerk to file the untimely Motion for Extension of Time to File the Petition for Writ of Certiorari, and further moves the Honorable Justice to grant the Motion for Extension of Time for the Petitioner to file the Petition given the extraordinary circumstances. This case calls into question one of the most racist pieces of legislation still in effect today, and contains matters of utmost importance.

WHEREFORE, the Petitioner, prays that given the extraordinary circumstances the Honorable Associate Justice Clarence Thomas determine if the Petition Postmarked August 17, 2021 was timely or alternatively direct the Clerk to file and grant this untimely Motion for Extension of Time for Petitioner to file the Petition for Writ of Certiorari pursuant to Supreme Court Rule 32.3.

Respectfully,
