**Re: Application for Extension of Time to File Brief in Opposition to
Petition for Writ of Certiorari
George Sheetz v. County of El Dorado, S. Ct. No. 22-1074**

Dear Mr. Harris:

I am counsel for the Respondent County of El Dorado in this case. Petitioner filed his petition for a writ of certiorari on May 2, 2023. According to the online docket and pursuant to Rule 15.3 of the Rules of the Supreme Court of the United States, a response is currently due on Monday, June 5, 2023. Pursuant to Rule 30.4, respondents respectfully request that the time for filing a response be extended by 30 days, to and including July 5, 2023.

This is respondents' first request for an extension of time to file a response. Good cause exists for the requested extension. Approximately six entities have informed me that they intend to file an amicus curiae brief, all of which I must address in the response brief. An extension of time would better enable preparation of a response that would be most helpful to the Court.

Accordingly, Respondent respectfully requests that the time for filing a response to the petition for writ of certiorari be extended by 30 days, to and including July 5, 2023. Counsel for the Petitioner, Paul Beard, has informed me by email that Petitioner does not object to this request.

Sincerely,

/s/ Glen C. Hansen
