United States Supreme Court

Re: *Truck Insurance Exchange v. Kaiser Gypsum Company, Inc.*,
No. 22-1079

Dear Mr. Harris:

The Court docketed the petition in the above-referenced case on May 3, 2023, and it called for a response on July 7, 2023. The response is currently due on August 7, 2023.

In accordance with Supreme Court Rules 15.3 and 30.4, respondents Kaiser Gypsum Company, Inc., and Hanson Permanente Cement, Inc., respectfully request an extension until September 5, 2023, sixty days after the Court called for a response, to file their brief in opposition. All other respondents join this request.

The extension of time is warranted because counsel for the various respondents have significant pre-existing commitments, including several briefs due in other cases throughout July and August. Moreover, this extension will leave ample time for petitioners to submit a reply brief in advance of the conference of September 26, 2023, three weeks later, at which this case is scheduled to be considered.

Sincerely,

/s/ C. Kevin Marshall
