Re: *Officer Matthew Gregory, et al. v. Elise Brown*, No. 22-1107

Dear Mr. Harris:

Petitioner filed its Petition for a Writ of Certiorari on May 8, 2023, in the above-referenced matter. On July 28, 2023, the Court requested a response by August 28, 2023.

Respondent's attorney is not a member of the Supreme Court and cannot e-file this request and respectfully submits this request, under Rule 30.4 of the Rules of this Court, a 30-day extension on the due date for the response, to and including September 29, 2023. This is Respondent's first request for an extension. The extension is requested because Respondent is seeking the extension because I am in the process of looking for Supreme Court counsel to handle the response. Once I obtain counsel, additional time is necessary to allow counsel an adequate opportunity to review the record, study the relevant case law, and prepare the brief.

Thank you very much for your assistance in this matter.

Sincerely,

IVIE McNEILL WYATT PURCELL & DIGGS
