Re: *Center for Medical Progress, et al. v. Planned Parenthood Federation of America, Inc., et al.*, No. 22-1168 (Vide 22-1147; 22-1159; 22-1160)

Dear Mr. Harris:

I represent the Respondents in the above-captioned case. The Court docketed the case on June 2, 2023 and the response is due July 3, 2023. I respectfully request a 51-day extension of time, to and including August 23, 2023, in which to file a response. There are four total petitions appealing the Ninth Circuit's decision in *Planned Parenthood Federation, et al v. Center for Medical Progress, et al.*, No. 20-16068 (9th Cir.) (Oct. 21, 2022), and I have a number of other pending matters that will interfere with counsel's ability to respond on or before July 3, 2023.

Respondents have not previously requested an extension and a 51-day extension will provide sufficient time to fully analyze and respond to the arguments raised in the petition for certiorari. Respondents are simultaneously filing a 51-day extension of time in related cases 22-1159 & 22-1160 and a 58-day extension of time in related case 22-1147, to and including August 23, 2023, as well. Counsel for Petitioners did not respond to counsel's request for consent to this request.

Respectfully Submitted,

William C. Perdue
