Re: *ML Genius Holdings LLC v. Google LLC, et al.*, No. 22-121

Dear Mr. Harris:

We are counsel for Respondent Google LLC in the above-captioned action, and write jointly with the undersigned counsel for Respondent LyricFind, Inc. Pursuant to Supreme Court Rules 15.3 and 30.4, Respondents respectfully request a 60-day extension of time within which to file a brief in opposition to the petition for a writ of certiorari, which was docketed on August 9, 2022. This would extend Respondents' due date from September 8 to November 7, 2022. Petitioner consents to the requested extension.

Respondents request this extension in light of multiple prior commitments on other matters, which came to overlap with the current response date when Petitioner was granted a 60-day extension in which to file its petition (to which Respondents consented). See May 23, 2022 Order granting Petitioner's Application for extension (21A757). Respondents also request this extension so they may review any amicus briefs that may be filed in support of the petition, determine whether an opposition is necessary, and if so, prepare a response.

Respectfully submitted,
