Re: Delafield v. Gerard R. Vetter
S. Ct. No. 22-1215

Dear Mr. Bickell:

Question 5 of the Petition for Writ of Certiorari contains a citation to Chambers v. NASCO, Inc., 501 U.S. 32, 44-45 (1991). That citation is in error, the case does not support the proposition stated regarding *respondeat superior* liability, and the citation should be ignored. I apologize for the error and the mischaracterization of the holding of Chambers v. NASCO, Inc.

Thank you for your attention to this matter.

Very truly yours,

Darren Delafield
