Re: Wendy Smith, et al. v. Keith Spizzirri, et al.
No. 22-1218

Dear Mr. Harris:

Pursuant to Rule 30.4, I write to seek an unopposed extension of the time to file a response to the petition for certiorari in this case. The response is currently due on September 5, 2023. I request a 30-day extension, to and including Thursday, October 5, 2023. I informed appellate counsel for Petitioners of this request and am authorized to indicate that Petitioners do not object to this request.

Following transition from my prior law firm, Respondents have elected to be represented by new counsel and the process of transitioning firms have hampered the ability to submit the pending response, which is why I request this extension. I was out of the country for family reasons on a pre-arranged trip from August 3 to August 22, which further hampered transition efforts. Respondents need a 30-day extension to enable them with my assistance to accomplish a proper transition to new counsel and prepare an effective response to petition.

Thank you for your attention to this matter.

Sincerely,

Laurent Badoux
