Re: Wendy Smith, et al. v. Keith Spizzirri, et al.
No. 22-1218

Dear Mr. Harris:

Pursuant to Rule 30.4, I write to seek an unopposed extension of the time to file a response to the petition for certiorari in this case. The response is currently due on October 5, 2023. I request a 30-day extension, to and including Monday, November 6, 2023. I informed appellate counsel for Petitioners of this request and am authorized to indicate that Petitioners do not object to this request.

Respondents had anticipated being represented by new counsel in this matter at this point, but the transition to the selected counsel could not be completed and Respondents are in the process of seeking a different firm to assume the lead representation in this matter. Respondents require this additional 30-day extension to enable them to accomplish this transition to new counsel and to prepare response to petition.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Laurent Badoux", with some scribbles and a checkmark-like mark.
