Re: **Unopposed Motion to Extend Time to File Response to Petition**  
*Scott Fenstermaker v. Stephen Fenstermaker, et al.,*  
S. Ct. No. 22-125

Dear Mr. Harris:

I am counsel for Respondent Martha Czymbek. Petitioner filed his petition for a writ of certiorari on about August 5, 2022. According to the online docket and under Rule 15.3 of this Court, a response is currently due on September 8, 2022. Under Rules 15.3 and 30.4, Respondent respectfully requests that the time for filing a response be extended by 30 days until October 11, 2022.

The specific reasons for this request are as follows:

This is Respondent's first request for an extension of time to file a response. I have recently been retained and did not represent Respondent in any of the proceedings below, and thus require sufficient time to familiarize myself with the relevant legal issues and record. Since the filing of this petition, I have been on family vacations and had major court filings and hearings. This extension would facilitate the preparation of a response that would be most helpful to the Court.

Because good cause exists for the requested extension, Respondent respectfully requests that the time for filing a response to the petition for writ of certiorari be extended by 30 days until October 11, 2022. The Petitioner, who is a licensed attorney appearing *pro se*, has indicated that he has no objection to this request.

Respectfully submitted,
