**Bill Counterman**

FEB 6, 5:59 PM

I have a need to address this. During the time of knowing of you and asking for your interest in a production of non-for-profit, like some other friends I've meant along the way. My prior family establishment has been embarked. My history has been exsumed, and all of that being what I didn't have a feel of substaining my existance. I left that, don't you know. I am out for a life without them, would that be a trouble.

Anyhow.

How can I take your interest in me seriously if you keep going back to my rejected existence.

Some crawl out of where I am at, and some don't make it.

Sighned not normal of tradition

Where are you at is the natural

Your not being good for human relations.

FEB 7, 1:46 AM

Talking to others about me isn't pro-life substaining for my benefit. Cut me a break already.

Are you in the desire of having a crippling affect on me, be honest

Bill Counterman

FEB 13, 7:57 PM

Somehow the pages you've inflected has brought, I do know this and how are you involved. Are you a solution or a problem. Difficult to see. Be real.

FEB 13, 8:21 PM

Avoiding, be real. Not here for entertainment

Play a song

Come on out of there, talking to others isn't going to being success to your desires. NEVER

Something positive would be productive

Not chasing

FEB 13, 9:26 PM

Unbelievable, you've not stop your Chase. But. You do not talk and you have my phone hacked.

FEB 13, 10:21 PM

Talk is simple. Not of your programmed ideals, can't help that. I can only wish you a great life. Truly, go on for Your greatest ...

FEB 14, 9:14 PM

Unbelievable as it may seem, truly, I am sorry for the interventions into your space. Having said that, also, my existences isn't my fault. So, of I've offended you, please accept my appologies.

FEB 19, 9:50 PM

It would be a productive feature of you to come out with your real personality. Just saying

Sarcastic Bad Bitches is only one side. Generalized personality is what I can handle

Still can't talk straight on. Closet. Why?

NO words can explain how I feel. And not even to have 28 different pages could cover it

So there...
