Re: *Geraldine Tyler v. Hennepin County*, No. 22-166
Motion for Extension of Time for Brief in Opposition

Dear Mr. Harris:

I am counsel of record for Respondents in the above-referenced case. Pursuant to Supreme Court Rules 15.3 and 30.4, Respondents respectfully request an extension of time to file their brief in opposition to the petition for writ of certiorari.

Attorneys for Respondents are presently managing numerous professional obligations. Counsel of record is serving as general counsel in numerous county matters and has multiple cases pending in the Minnesota Tax Court. Ms. Pierce is presently working on a state court appellate brief due in October and preparing for a federal jury trial scheduled in November. Mr. Wojciechowski is serving as general counsel for the county's elections function, and those responsibilities should subside in early November; he also has multiple matters pending in state district court and the Minnesota Tax Court.

For these reasons, Respondents request a 60-day extension, up to and including December 19, 2022, which is an extension comparable to that granted to the Petitioner. The issues presented in the Petition are serious and Respondents desire additional time to give them the attention they merit. Thank you for your consideration of this request.

Respectfully,

A handwritten signature in black ink that reads "R. Holschuh".
