Re: Steven M. Recht, et al. v. Patrick Morrissey, Attorney General of West Virginia
(No. 22-175)

Dear Mr. Harris:

The Court docketed a petition for writ of certiorari in the above-captioned case on August 25, 2022. Although Respondent waived his right to file a response, the Court asked him to file one. That response is now due October 24, 2022.

Respondent respectfully requests, under Rule 30.4 of the Rules of this Court, that the Court extend the time for Respondent to file his response by 14 days, to November 7, 2022.

Respondent has not previously sought any extensions in this case. The extension is justified because the attorneys principally responsible for preparing the response are set to be heavily engaged over the coming weeks with other previously scheduled matters before this Court, the Supreme Court of Appeals of West Virginia, and the federal courts of appeal.

Thank you for your consideration.

Sincerely,

/s/ Lindsay S. See
