Re: No. 22-192, *Glenhaven Healthcare LLC v. Saldana*

Dear Mr. Bickell:

I am co-counsel for respondents Jackie Saldana, Celia Saldana, Ricardo Saldana, Jr., and Maria Saldana in the above-referenced case. On August 29, 2022, the Court docketed a certiorari petition in this case. Unless extended by the Court, the response would be due on September 30, 2022.

Pursuant to Rule 30.4, I respectfully request an extension of 31 days, to and including Monday, October 31, 2022. I have several pressing obligations during the upcoming weeks and will be observing the Rosh Hashanah holiday. An extension will allow me to meet these obligations and also to file a response that adequately addresses the points raised in the petition. In addition, at least one party has indicated it will be filing an amicus brief in support of the petition. The extension will also allow time to consider this additional brief.

For these reasons, I ask that a 31-day extension be granted. Thank you for your attention to this matter.

Sincerely,

/s/Adam R. Pulver
