Re: *Junker v. Medical Components, Inc., et al.*
No. 22-26

To the Clerk:

I am counsel of record for Respondents Medical Components, Inc. and Martech Medical Products, Inc., in connection with the petition for writ of certiorari filed by Larry G. Junker in the above-numbered matter.

Respondents have been served with Mr. Junker's petition. However, because this case clearly does not warrant review by the Supreme Court, Respondents do not intend to respond to the petition for certiorari unless requested to do so by the Court. Respondents note that the petition contains certain misstatements of fact that would bear on what issues properly would be before the Court if certiorari were granted. If the Court requests Respondents to respond, Respondents will address these misstatements in their response.

Thank you for your consideration.

Sincerely,

Alfred W. Zaher
Attorney for Respondents
