Re: *Word of God Fellowship d/b/a Daystar Television Network v. Vimeo, Inc., et al.*,
No. 22-375

Dear Mr. Harris:

I represent Respondents in the case referenced above. Petitioner filed its petition for a writ of *certiorari* on October 19, 2022, and this matter was placed on the docket on October 21, 2022. Respondents' response to the petition is due November 21, 2022. Pursuant to Supreme Court Rule 30.4, I write to request a 30-day extension of time to file a response to the petition. Petitioner consents to this request.

The reasons for the request are as follows: I serve as General Counsel for Respondents and am principally responsible for Respondents' response. I face a number of deadlines and other time-sensitive demands within the business in the coming weeks, and must also coordinate assistance from outside counsel. An extension of time would ensure that Respondents can adequately address the issues raised in the petition in any response.

For these reasons, I respectfully request a 30-day extension of time, until December 21, 2022, to file a response to the petition.

Yours very truly,

/s/ Michael A. Cheah
