Re: *Chama Troutstalkers LLC; Z & T Cattle Co. LLC*
v. Adobe Whitewater Club of New Mexico et al.
Supreme Court Docket No. 22-410

Dear Mr. Harris:

I represent Respondents Adobe Whitewater Club of New Mexico, New Mexico Wildlife Federation, and New Mexico Chapter of Backcountry Hunters & Anglers. I write, pursuant to Supreme Court Rule 30.4, to request a 45-day extension—until January 15, 2023—to file a Response to the Petition for Certiorari in the above-referenced matter. Because January 15 is a Sunday and the 16th is a holiday, that would make our brief in opposition due on January 17, 2023.

The Response is currently due on December 1, 2022. That deadline conflicts both with deadlines counsel is under in other matters as well as pre-existing travel plans. Accordingly, the requested extension is necessary to allow us adequate time to prepare a comprehensive response. The requested extension would also take account of Thanksgiving, Christmas, and New Year's holidays. At the same time, the extension would not affect the date on which the case gets scheduled for conference.

We have conferred with counsel for Petitioners, and Petitioners do not oppose this request.

Sincerely,

GALLEGOS LAW FIRM, P.C.
