Re: *Huffman v. Harris*, No. 22-474

Dear Mr. Harris:

Petitioners filed their Petition for a Writ of Certiorari on November 16, 2022, in the above-referenced matter. On December 22, 2022, the Court requested a response by January 23, 2023.

Respondent respectfully requests, under Rule 30.4 of the Rules of this Court, a 50-day extension on the due date for the response, to and including March 14, 2023. This is Respondent's first request for an extension.

The extension is requested because Respondent recently retained the undersigned as counsel, and the additional time is necessary to allow counsel an adequate opportunity to review the record, study the relevant case law, and prepare the brief. The undersigned counsel also has several other briefs with approaching deadlines.

Thank you very much for your assistance in this matter.

Respectfully submitted,

Kelsi Brown Corkran
