Re: **No. 22-483:** Request for Extension of Time to file Opposition Brief  
*Lee, et al., Petitioners, v. Anthony Lawrence Collection, L.L.C., Defron Fobb, Thaddeus Reed a/k/a Reed Enterprises, and Collegiate Licensing Company, L.L.C. , Respondents*

Dear Clerk,

We represent Collegiate Licensing Company, L.L.C. (incorrectly sued as Learfield Communications, L.L.C.), among the Respondents in this matter. We write on behalf of all Respondents, pursuant to paragraph 4 of Supreme Court Rule 30, to request an extension of time until February 20, 2023, for Respondents to file a single joint opposition.

Respondents do not make this request lightly, but while respective respondents' counsel are still considering whether a waiver of response might be appropriate, we are cognizant of the admonishments in paragraph 2 of Rule 15, which could compel a response.

The current deadline for a brief in opposition is December 21, 2022. While Respondents intend collectively to submit any opposition brief as soon as we reasonably can, delays attributable to the holidays and the commitment among respondents to collaborate both as to the necessity of a response and, if deemed warranted, to submit a single joint opposition lead us to request an extension of time sufficient to prepare and submit a brief that is both complete and concise.

We sincerely appreciate your assistance, and look forward to hearing from you.

Respectfully,

Joshua Tropper  
*Counsel for Respondent*  
*Collegiate Licensing Company, L.L.C*
