Re: *Buck v. Watson*; United States Supreme Court Case No. 22-492

Dear Mr. Harris:

I serve as counsel of record for appellee Mississippi Republican Executive Committee in this case and I write to request a 30-day extension of time for my client to respond to the jurisdictional statement submitted by Appellants. The Clerk placed the jurisdictional statement on this Court's docket on November 23, 2022, and my client's response is currently due December 23, 2022. Under Supreme Court Rule 30.4, I request a 30-day extension of time, to and including January 23, 2023, in which to file my client's response to the jurisdictional statement.

I am currently on an international trip with family and was at the time of the docketing of the jurisdiction statement. I will not have returned to the office until December 12, 2022. Moreover, I have other professional obligations that will make preparing our response difficult under the current deadline for when I return. I have conferred with counsel of record for appellants, who consents to this request for a 30-day extension of time.

Thank you for your attention to my request.

Sincerely,

WISE, CARTER, CHILD & CARAWAY, P.A.
