To the Honorable Elena Kagan, as Circuit Justice for the United States Court of Appeals for the Ninth Circuit:

Peter Cooks respectfully requests a 60-day extension of time to file his petition for writ of certiorari. This request, if granted, would extend the deadline from February 21, 2022 to April 22, 2022.

Cooks will be asking this Court to review a judgment of the United States Court of Appeals for the Ninth Circuit issued on November 23, 2022. (App. A), Cooks requests this extension of time for the following reasons:

Cooks' counsel, a two attorney law firm, have other deadlines and professional commitments that interfere with the preparation of the petition including depositions in multiple cases with upcoming discovery deadlines, summary judgment response, an appellate reply brief, state court trial date in March, and previously scheduled mediations.

In addition, undersigned counsel of record has care commitments for an elderly out of state parent that is requiring more frequent travel and time away from work.

This petition addresses important issues regarding the rights of United States Veterans under Uniformed Services Employment and

Reemployment Rights Act of 1994, the Rehabilitation Act of 1973 and what must be shown to survive a Motion to Dismiss.

For these reasons Cooks though counsel respectfully requests an extension of time to file his certiorari petition, up to and including April 22, 2022.

Respectfully submitted,

Lee Winston
