**Re: Theresa Eagleson, Director, Illinois Department of
Healthcare and Family Services v. Saint Anthony
Hospital, et al.
No. 22-534**

Dear Mr. Harris:

I am counsel of record for Respondent Saint Anthony Hospital in the above-captioned matter. Petitioner filed a petition for a writ of certiorari on December 7, 2022. A response is currently due March 2, 2023.

Pursuant to Rule 30.4, Respondent respectfully requests a 30-day extension of time to and including April 3, 2023 (30 days is April 1, 2023, a Saturday), within which to file a response. This is Respondent's first extension request.

This extension is necessary due to Respondent's counsels' other professional obligations, including ongoing settlement conference proceedings in this case before Magistrate Judge Sunil R. Harjani of the United States District Court for the Northern District of Illinois, Eastern Division.

Counsel for Petitioner and the Managed Care Organizations have informed me that Petitioner and the Managed Care Organizations have no objection to this request.

This request is being submitted only in paper form as I am not currently a member of the Bar of this Court. I acknowledge that the brief in opposition to the petition for a writ of certiorari must be filed by a Bar member.
