

SUPREME COURT OF THE UNITED STATES
OFFICE OF THE CLERK

ERIKA JACOBS,
Appellant,

CASE: 22-5419

Vs.

GEISINGER WYOMING MEDICAL CENTER
Appellee.

**MOTION FOR RECONSIDERATION FOR PAUPERS AFFIDAVIT TO BE
REVIEWED BY ALL 12 JUSTICES (JUDGES TO SUPREME COURT)**

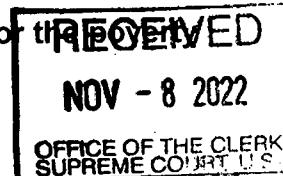

Comes Now Erika Jacobs, appellant, in the above styled writ of certiorari presented timely to the court to request the approval of her paupers affidavit pursuant **federal rule 24 (2)(3) proceedings in-forma paupers**. The Plaintiff was unemployed when she filed her original complaint in the federal court of Pennsylvania. The Plaintiff was unemployed when she filed her Writ of Certiorari in The United Supreme Court (the highest appellate court of the land).

The Plaintiff had been approved for paupers affidavit in the federal court of Pennsylvania and the court of appeals thus no further motions or financial papers need to be completed **Pursuant Federal Rule 24 (3)**. The Plaintiff filed her declaration of poverty with her writ of certiorari. The Plaintiff Paupers affidavit was unjustly denied pursuant **Federal Law 24 (2)(3)**. The Plaintiff is unable to pay for court cost. The Plaintiff has no income and has been unemployed for almost the entire year of 2022 and 6 months in 2021.

This is a landmark case of employment that needs to be heard. This employer hurt the Plaintiff very much with their actions. The Plaintiff was hired and received a badge to swipe in and out for work. The Plaintiff completed her I-9 with a copy of her driver license and ss card given to the employer. The Plaintiff gave the employer a copy of her degree.

The Plaintiff was hired without a doubt. The Plaintiff traveled to Wilkes Barre, PA for the job and then was terminated for no just reason. The Defendant's action was malicious and deceptive.

The Plaintiff meets the economic guidelines for qualification for the

affidavit Pursuant Federal rule 24 (2)(3) and it should be granted. The Plaintiff received this order on 10-20-22 and spoke to Jeff Adkin on 10-21-22 about the issue and was advised to send in Motion for reconsideration.

The Plaintiff has included exhibit A, original declaration of poverty sent to court with writ of certiorari along with poverty affidavit 8 page financial form (which the court has on file; the court has the appellant's poverty affidavit application on file for the Supreme Court of the United States).

This 24th day of October, 2022.
