①

CLERK OF THE COURT
my name is Tedd Wilson
CASE # 22-5433

DEAR,

Supreme Court

ST. FARM HAS FALSELY CLAIMED
my motion to reconsider WAS
SENT IN AFTER 30 DAYS -

NOT ONLY IS THIS NOT TRUE
BUT THE MOTION TO RECONSIDER
HAD ALREADY ARRIVED WITHIN
THE ABOVE STATED TIME PERIOD -

PLEASE DO NOT BELIEVE
ST. FARM, PLEASE INSIST THAT
ST. FARM PROVE THIS FALSE
ALLEGATION.

ALSO, I HAD A DEATH IN MY
FAMILY, MY FATHER DIED - AS I
HAVE PREVIOUSLY STATED AND WAS
GIVEN AN EXTENSION BY THE
CLERK, AT THE DISTRICT COURT,
JUST IN CASE IT WOULD BE
NECESSARY -

RECEIVED

OCT 24 2022

OFFICE OF THE CLERK
SUPREME COURT, U.S.

(2)

This is very personal For me
Not only have my VINTAGE
CARDS skyrocketed in VALUE, but
I could have sold some To
Support myself & my Gial Friend
ST. Farm Took 16 months To
deny my claim, All The Time
Telling me They would PAY
BUT, You could see The writing
on The wall, with The Questions
They were Asking - ST. Farm asked
if The Lady who sold me The
Personal Articles Policy WAS AN
expert on VINTAGE BASEBALL CARDS -
AS IF THAT would be The only
WAY She could sell me A Personal
Articles Policy - AS IF I hired her
myself - if They wanted To call
in AN expert They had All The
Time in The world To Do SO -
I Brought my BASEBALL CARDS
in on 5 or 6 D.IFFERENT OCCASIONS -
To have Them Photographed -
ST. FARM closed Down Robbie Barnes
Agency immediately AFTER our
EXAMS under oATH were complete

NATIONAL IMPORTANCE -

ST. Farm sold me A FRAUDULENT
PERSONAL ARTICLES Policy - ST. Farm
HAD NO INTENTION OF EVER
honoring The Policy They sold -

The evidence I have provided
could not Be ANY clearer

ST. Farm has omitted every
Key Piece OF evidence in my
FAVOR -

ALABAMA is one OF only A
Few states without A Fair
CLAIMS ACT -

Attorney's From other states
DONT want To come in To ALABAMA,
The rules Are so BAD -

ie Attorneys fees -

ST. Farms dishonesty is OFF
The charts - They save There
worst behavior For The
poorest states, like ALABAMA -

This would be A great
opportunity For the
court, To insure The policy
holders, That ST Farm will
NOT get AWAY with cheating -
Their customers .

WHAT ST. Farm did NOT Tell The COURT WAS I Brought my CARDS INTO ROBBIE BARNE'S INS AGENCY TO HAVE THEM ALL PHOTOGRAPHED -

WHICH BEFORE THE COPY I BOUGHT THE POLICY FROM TOOK PICTURES - ST. FARM SHOULD HAVE PUT THE PHOTO'S ON THEIR COMPUTER FOR SAFE KEEPING - INSTEAD THEY "LOST" MY PHOTO'S -

THE DISTRICT JUDGE DID AGREE THE CASE IN CHIEF FAVOR MYSELF BUT I AM JUST POINTING OUT HOW DISGRACEFUL AND CRIMINAL ST. FARM'S BEHAVIOR HAS BEEN -

HOW THEY INTENTIONALLY DESTROYED EVIDENCE - TO TRY TO CHEAT THE POLICY HOLDER - MYSELF -

AND STILL THE DISTRICT JUDGE GRANTED SUMMARY JUDGEMENT OVER A COUPLE OF QUESTIONS ABOUT A CLAIM FROM 1998 WITH ST. FARM THAT WERE SO OBVIOUS I OBJECTED -

THESE QUESTIONS ABOUT A 1998 CLAIM ARE NOT EVEN CLOSE TO BEING MATERIAL -

5

More importantly, ST. FARMS Lawyers sent A copy of The Rules For The EXAM under OATH AND clearly STATE I will be ASKED Questions About my CLAIMS history going back 5-10 years, NOT 20 years PLUS

This is ANOTHER reason I objected I repeatedly sent This document in To The District court, AND still The judge ignored This Evidence

So ST. FARM Violated There own written Agreement by Asking me by Asking me To go back over 10 years on my previous claims -

The original Application only Asked IF I HAD A loss with an insurance company going back 3 years -

I Also sent The DISTRICT Court CASE LAW Weides v Insurance companies - That States The Policy holders refusal To ANSWER Questions About Previous CLAIMS WAS NOT A breach OF Policy Cond.Tion - This CASE LAW WAS decided by The Supreme Court & WAS ignored by The DISTRICT COURT -

The District Judge READ my motion To reconsider, saying I did NOT RAISE ANY new issues - NOT True!

1. I Provided All The evidence THAT The DISTRICT court missed
2. I explained THAT by denying myself A chance AT discovery you Are preventing me From my PVE Process - AND Proving THAT Summary Judgement should NOT have been granted
3. I showed how ST FARM'S Attorney DAVID FAWAL WAS Able To "Coerce" my ORIGINAL Attorney To Withdraw From my case

Leaving me Pro se. my policy had A limit OF 160 THOUSAND WITH OUT The BAD FAITH. So Several Attorneys were interested, however AS SOON AS They spoke with Atty FAWAL They disappeared. They would NOT even TAKE my calls.

IF AN Attorney does NOT WANT you A case, THAT'S NOT how They behave - They Let you Know why, MAYBE give you A recommendation

This is including Attorney's on The Birmingham AL. referral Service These Attorney's Are looking for New Business. They were extremely interested in my case, They All seemed to know Atty FAWAL - who was located in There AREA - AND could NOT WAIT TO speak with him ST. FARM has been caught bribing a judge in ILLINOIS - They Agreed To PAY A 250 million Dollar Settlement To Avoid A RICO TRIAL - That's Racketeering - originally created To prosecute The MAFIA - This Settlement occurred in Sept 2018 - 6 months After my loss occurred in MARCH 2018 -

ST. FARM destroyed Evidence in my case. NOT only did They Lose The photo's They Took of my Vintage BASEBALL CARDS. BUT ALSO Lost The ORIGINAL CONTRACT I Alone signed in JULY 2016 These documents should have been PUT on There computer For Safe Keeping.

The only possible explanation
for these attorney's disappearing
after speaking with Atty FAWAL
could not be more obvious -

This is part of the arrangement
they are making to get whatever
ST. Farm is offering - They are
not allowed to contact me again -
but just like the Grey Lord
investigation in Chicago in the
eighties, this has to be proven
and the FBI has to be called in -

But ST. Farm's corruption is clear
from beginning to end - ST. Farm
did business not only in bad faith
but illegally -

I also sent a letter to the
District Court in my motion to
reconsider, from Atty Jeff Roberts
who I found with the Birmingham
referral service - he wanted my case
but knew Atty FAWAL - I explained
to him what happened every time
a prospective Atty spoke with
Atty FAWAL - They disappeared

I ASKED ATT Robert To get back to me AFTER speaking with ATT FAWAL - He ASSURED me he would - However he NEVER did, but did send me A Letter SAYING he WAS To busy & my CASE WAS To complicated & Expensive - he never Took my calls -

I Sent This letter on To The DISTRICT COURT, explaining how ATT FAWAL WAS doing everything he COULD To prevent me From getting AN ATTORNEY -

Still the DISTRICT Judge SAID I DID NOT RAISE ANY new ISSUES in my motion To reconsider -

Also, The DISTRICT Judge would NOT Allow me To SPEAK with opposing Counsel. Im Pro Se but The Judge Denied me The Privilege of A normal ATTORNEY - I would have Told ATT FAWAL I WAS AWARE of his disgraceful behavior AND MAYBE PUT some GUARD RAILS on his conduct

BUT The Judge never gave me The opportunity -

NATIONAL IMPORTANCE

ST. FARM IS HERE BECAUSE THEY
DONT PAY THERE CLAIMS -

IF I HAD THE OPPORTUNITY TO TAKE
MY CASE IN FRONT OF A JURY, I'M
SURE I WOULD GET THE SATISFACTION
I DESERVE -

I HAVE RESEARCHED ST. FARM'S
CORRUPTION FOR ALMOST 5 YEARS NOW
AND COULD WRITE A BOOK ON WHAT
I UNCOVERED -

AS YOU CAN SEE WITHOUT THE
COURTS INTERVENTION ST. FARM WILL
CONTINUE CHEATING THE POLY HOLDERS
AND RUINING LIVES - THIS WILL
ONLY GET WORSE IF THE PEOPLE
CANT COUNT ON THE COURTS -

THANK YOU FOR YOUR
CONSIDERATION
