1

Petitioner (Schneider) requests rehearing for certiorari denied on October 17, 2022.

Due to no fault of Schneider, at least three key events occurred after certiorari was denied. These are divided into Parts A and B below. Events going to the heart of Schneider's certiorari question, petition, and repeated structural/unfairness that continuously harms only the poor, homeless, and for over three years now - Mr. Schneider. Since case Day 1 - via unequally the most basic timely court service/no service, NOTICE, and/or information being denied. NOW having occurred repeatedly in every court.

— Part A —

Something is systemically unjust with the entire "fair" court system when Schneider's access to basic information and justice is on

2

involuntarily homeless U.S. Citizen is determined more by random events and e.g. U.S. Postal "general delivery" inaccuracy, mis-delivery, or (and) no delivery of mail than by Court action or inaction. Irreparable injury when "jurisdictional" time frames are involved here and NOW in all Courts.

1. Schneider received no timely notice of this Court's Order of October 17, 2022 when Mr. Schneider checked his general delivery mail on October 21, 2022. Yet, the Jackson CA P.O. "stamped" the envelope received on "Oct 20 2022" See Exhibit A page below incorporated as Pg. 4

I.e., another misdelivery and/or non-delivery of critical court information unusually / unconstitutionally only to Mr. Schneider: Never to electronically served Parties - Respondents.

3

These unequal notice systems by Court design need to be corrected now and not later after Schneider loses more of his rights, home's property etc. (see Decl. Facts in Part B).

2. Schneider only learned of the Oct. 17th Order ON October 28, 2022 - and then only by chance: his neighbors were expecting company - so went to town before their next date of November 15, 2022 due to covid19 concerns etc.

I.e. had this random event not happened Schneider would of only learned of the ORDER after his rehearing time would ~~be~~ have already expired.

This "chain" of events has already happened in the CA courts, and is NO Justice!

5

On October 25 Schneider "blindly" prepared a Rule 15.8 motion to try to "protect" his rights to file certified copies of the Amador County "unlawful detainer" case clearly proving no hearings/no service/no writ of execution/ NO DUE PROCESS — that started this phase of unconstitutional Punishment of Schneider. All argued below in Part B and Re-paged as part of this motion — Since Schneider is yet again blind on the actual status of motion and exhibits.

— PART B —

3. There was never timely delivery of the Amador County Court's Certified Copies of the record in 19-cv-11334 to Schneider in Person OR by Mail in time for ANY consideration by the COURT.

I. e. that court waited until October 17, 2022

- specifically - to even send the certified copies of docket, and "Rubber stamped" opening and closing papers filed. Papers showing Facts argued in every court and Certiorari petition. See Exhibit A showing SASE mailed 17th received 20th, delivered on 21st to Schneider.

As now argued as part of this rehearing petition because events occurred after certiorari denied and to let this Court's Record reflect Truth to the best of my abilities.

Prior mailed October 25, 2022 Motion
Now reprinted and argued below.

⑦ X 7⑦

Petitioner ("Schneider") asks that this brief be filed under Rule 15.8 Supplemental brief for the above captioned case. The Supplemental material is certified copies of the docket (Exhibit 1), case opening summary (Exhibit 2), and "Rubber Stamped request for dismissal (Ex Parte) (Exhibit 3) - All Incorporated herein.

These five pages are from the related so called "unlawful detainer" civil case 19-cv-11334 cited in main brief for certiorari. This material was "Just" received two days ago and was requested to the Amador County court on April 22, 2022 for this appeal.

Mr. Schneider remains homeless and continues to structurally and constitutionally

② 2 8 ②

Object (Due Process, Speech, and inequality etc.)
inter alia, to the continuing lack of equal
service of documents, NO NOTICE AT ALL
(actual status of lower Appeal still unknown)
and at other times NO "meaningful" notice
as stated below and in all prior filings.
These damages/condition is proximately
tied to 19-CVC-11334, the theft by
respondents of everything in Schneider's
home and no court notice, hearings,
or ANY "judicial supervision". As shown
by Exhibit 1 Docket Sheet.

Also on Exhibit 1 are two additional
documents from 3/17/2021 and 3/22/2021
that Schneider was, not only not even
aware of their existence, but to this
has NEVER even seen either.

0790

These documents (e.g.) schneider likely would have seen if not for the defendant's unlawful breaking into his home, and theft of everything inside - including all of his keys, money, legal files & notes, etc. (see main brief).

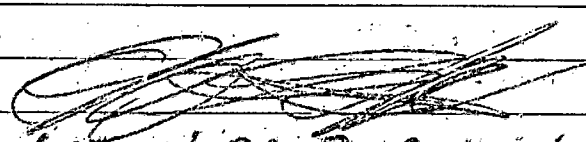

These facts can be seen from the face of the #11334 Pocket and for over three years of Schneider's daily irreparable harms - Regardless of anything CA Court's DO or DO NOT do - Schneider's home continues to be 100% vandalized, broken into repeatedly, and countless items inside and outside stolen while ZERO California laws have in any way "protected" Schneider. Rather, they continue to unconstitutionally harm

10

him - regardless of any CA later review.
This is - continues to be (see Exhibit 1 eg)
a denial of fundamental/structural
"rights" needed NOW for any
effective review.

Petitioner asks the Court to RJN
and/or consider this supplemental
materials long known to every lower
court.

I declare under penalty of perjury
that the foregoing is true and correct
under law.

Conclusion

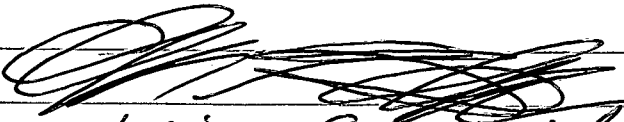

When timely basic service and information is denied Only to Mr. Schneider - Now happening Also in this Court from October 20, 2022 &

There is no fair justice. Rehearing should be granted as well as Certiorari.

Uniformity in the Courts' systemic inequalities are particularly damaging to the poor, homeless, and their unique daily living. Like having to use "General Delivery."

I declare under penalty of perjury that the foregoing (and exhibits) is True and Correct.

INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

To Plaintiff and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile the statistics about the types and numbers of cases filed. You must complete the items 1 through 6 on the sheet. In item 1, you must check one box for the case types that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To parties in Rule 3.740 Collection Cases. A "collection case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recover of real property, (4) recover of personal property, or (5) a prejudgment of writ of attachment. The identification of a case as a rule 3.740 collection case on this form means that it will be except from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment to rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to this action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
