Re: N.S., et al. v. Kansas City Board of Police Commissioners, et al. (No. 22-556)

Dear Mr. Harris:

I represent respondents Kansas City Board of Police Commissioners, et al. in the above-referenced case. Pursuant to Supreme Court Rule 30.4, I write to request a 30-day extension for respondents to file their brief in opposition to the petition for writ of certiorari. The current deadline for the brief in opposition is January 18, 2023, and respondents respectfully request until February 17, 2023, to file their brief in opposition.

Despite the exercise of diligence, respondents require additional time to complete the opposition. Additionally, counsel for respondents has several impending briefing deadlines, as well as preparation for oral argument, in cases pending in the federal Courts of Appeals.

Petitioners' counsel confirmed that petitioners consent to this request.

Thank you for your consideration.

Respectfully submitted,

Michael T. Raupp
