Motion to Extend to file Writ of Certiorari

Petitioner files this motion to extend to file writ of certiorari which is due April 06, 2022, however it is unclear if this date applies when a pending appeal in 21-50430 and 21-50889 are still waiting disposition.

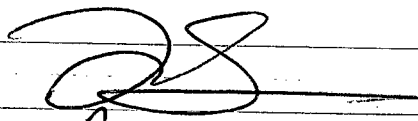

Therefore, Petitioner requests an extension not for delay but for justice. This is Petitioner's first request for an extension. Petitioner requests a 60-day extension to await a decision on motion to reconsider for leave to an out-of-time motion in 21-50430, and disposition in 21-50889, it is unclear if the motion to extend is premature, but as a precaution, Petitioner seeks extension. A 60-day extension is requested to be due June 05, 2022.
