

IN THE UNITED STATES SUPREME COURT

ERIKA JACOBS
APPELLANT,

CASE NO 22-5709

VS.

OKLAHOMA TAX COMMISSION
APPELLEE

MOTION OF RECONSIDERATION TO BE HEARD BY JUDGE CLARENCE THOMAS

2nd request

Exhibit A is attached : the first Motion of reconsideration sent on 12-29-23

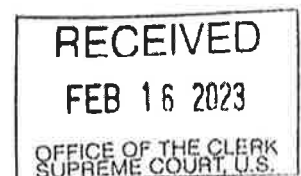

Comes Now Erika Jacobs, Appellant, in the above styled case to request my writ of certiorari be reconsidered for its landmark importance. The Plaintiff has requested that the record from Oklahoma be submitted to the Supreme Court of the United States for review.

The Plaintiff request a motion of reconsideration for the following reasons:

1. The Plaintiff has a right to appeal the Tax court case pursuant Title III: Appeals from the United States Tax Court 1.
2. Pursuant rule 40 if the appellant court; it requires a response be given for approval or denial (Please explain to the court clerk what an opinion is because they seem to get that confused with a response to the motion[the response from the judges tells the appellant the reason for approval or denial of the writ of certiorari)
3. The Plaintiff submitted a preponderance of evidence in support of her writ of certiorari.
4. The Plaintiff needs the judges to review her writ of certiorari and not a staff attorney or clerk for proper resolution of this matter.
5. The lower court did not handle the tax law suit as it has other law suits of the same caliber. The tax commission of Oklahoma had been given 11 months to resolve the matter but did not. Thus, a complaint was filed in federal court for resolution.
6. The Appellant has experienced much discrimination as it pertains to her civil rights in the state of Oklahoma.

History:

I never received the denial of this writ of certiorari. Lisa Nesbit stated on 12-23-22 that the mailing was returned to her and she would resend it out. I waited until 12-29-22 for

the information from Lisa Nesbit but it did not come in the mail. Thus, I left a voice mail on 12-29-22 that I would send the **Motion for Reconsideration on 12-29-22 via mail**. I **did not have the case number at that time but I sent the Motion of Reconsideration**. Lisa Nesbit stated she never received the Motion of reconsideration sent on 12-29-22. Thus, it was agreed I would send it out again and she gave me the case number this time. On 2-3-23, Lisa Nesbit stated she would have Jeff Adkin, clerk manager, call me back per my request. Also, Lisa Nesbit stated she would resend the denial of the Writ of Certiorari via mail on 2-3-23. This court does not answer the phone anymore which is not good service. The only option any petitioner has is to leave a voice mail that is rarely even returned and or acknowledged. This needs to change.

IN THE UNITED STATES SUPREME COURT

ERIKA JACOBS
APPELLANT,

CASE NO 22-5709

VS.

OKLAHOMA TAX COMMISSION
APPELLEE

MOTION OF RECONSIDERATION TO BE HEARD BY JUDGE CLARENCE THOMAS

Comes Now Erika Jacobs, appellant, to request an answer as to why her case Was denied. Erika Jacobs never received the denial via mail but was told by Lisa Nesbitt on 12-23-22 ,that her case was denied and no reason has to be given. Lisa stated she would resend out another order but I have not received it. A reason has to be given. The appellant cases are not being heard by the justices and that is Injustice. .

Erika Jacobs does not want Lisa Nesbitt to handle any of her

Cases because of her past behavior in which the appellant had to report.

The appellant has sent in landmark cases that should be reviewed by the justices

Of the supreme court. The Appellant request someone give her the case number assigned by the US Supreme Court, on 12-28-22, but Jeff, clerk supervisor, did not call back.

I want my writ of certiorari to be reviewed by Judge Clarence Thomas and all the justices of the supreme court. Cases of Taxation in any state are the general cases heard by the Supreme Court of the United States.
