12. Provide any other information that will help explain why you cannot pay the costs of this case. State reps with conflicts of interest provided false sworn testimony to sustain judgment with over-inflated support and arrears, then used that as basis to strip of all assets, blocked employment, precipitated current ongoing crisis, and even seized stimulus funds from minor children. Separate family, spouse finances unknown due to being cut off then. Financial impacts of draconian State actions backed up by false sworn testimony is such that this Writ may be filed late or not at all, depending on the timely raising of funds to cover mandatory copies, costs before deadline. Justice may thus be denied. Additional details in attached Petition for Writ of Certiorari.

I declare under penalty of perjury that the foregoing is true and correct.
