Inmate Request to Staff Response

This is in response to your Request to Staff received on August 20, 2021, wherein you request a Compassionate Release/Reduction in Sentence (RIS) based upon your claim the law regarding your conviction has changed since the time of your sentencing.

While I appreciate and understand the issue at hand, your request does not meet the requirements as set forth in policy. In accordance with Program Statement 5050.50, Compassionate Release/Reduction in Sentence, you do not meet the requisite criteria under extraordinary or compelling circumstances. The Bureau of Prisons does not have the authority, through its compassionate release/reduction in sentence procedures, to reduce an inmate's sentence based on the amendment of the sentencing guidelines.

You may petition your sentencing court directly and request to be resentenced under the amended sentencing guidelines.

Accordingly, your request for a Compassionate Release/Reduction in Sentence is denied.
