IN THE
SUPREME COURT OF THE UNITED STATES

Christine Owens — PETITIONER

vs.

Mahershal Simonet — RESPONDENT(S)

Court of Appeal, Second District Division Six, 200 East Santa Clara Street,
Suite 200, Ventura, California 93001 Case Number B315204

PETITION FOR WRIT OF CERTIORARI

Christine Owens

1981 Los Feliz Drive, Apt 254

Thousand Oaks, California 91362

(818) 200-3948

QUESTION(S) PRESENTED

- 1.) Should have Mahershal Simonet been placed into custody by Justice William C. Redmond because, petitioner, Christine Owens needed to file a Temporary Restraining Order against him for eluding his participation in a human trafficking onboarding process?
- 2.) Was the Appellate court with special duty to respond to opening up a criminal investigation against A10 Capital LLC Executive, JERRY E. DUNN, for massive human trafficking, after being presented as a fraudulent Paycheck Protection Program Lender and also formed a company called AVIATION SECURITIZATION which translates the intention and creates imagery to secure aircraft purposed to fly a PPP trafficked victim at the bottom of a commercial flight?
- 3.) Was the California Supreme Court with a social responsibility to assign a lawyer to Case Number S275429 being that the assignment of an attorney is in fact within their judicial diagram upon knowledge trafficked victims have increased from 26 Million to 28 Million according to the Guardian Organization and petitioner, Christine Owens, *is a paid-for*, SLAVE UNCAPTURED?

The jurisdiction of this Court is invoked under 28 U. S. C. § 1257(a).

CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

- 1.) **First Amendment Right**: I believe my freedom of speech is protected and I have a right to assemble around the Justices of the United States Supreme Court in written and physical form. I believe I also have the right to petition the government for a redress of grievances.
- 2.) **Fourth Geneva Convention**: I believe I discovered the fact that Queen Elizabeth The Second followed a belief system imparted into her by Duke of Windsor, who is known as King Edward III, and whose full name is Edward Albert Christian George Andrew Patrick David, who was the direct and closely knitted Uncle to The Monarch during her childhood years of raising. It is Americas truth that the Uncle who raised her had direct personal ties to Adolf Hitler who strongly believed in Ethnic Cleansing while he was a World Leader. In this case, I find that the Depositing company, A10 Capital LLC, is operated by business executive, Mark A. Hemenetz, who is the Chief Operating Officer of a company called Schroders who is owned by Queen Elizabeth the Second. The Schroders Public Limited Company has an advertisement that features a young black girl next to words "Profit is only the beginning". The website also featured key words that match my outlook which are: Slavery, Human Trafficking, and Modern Slavery Statement. To the public, the website conveys a message to the community that Schroders is where you can purchase a black girl as they are being revealed to the Justices of the Court to be a criminal organization. Schroders is a slavery company who prides themselves in ownership of black women. Queen Elizabeth the Second would be considered the United Kingdom Regime. The Royal Family is a human trafficker to sustain their country which would be considered a Time of War. According to the 4th Geneva Convention, I am the public, and the United Kingdom was not to infiltrate death upon me, because of how they feel.
- 3.) **Rule 52 (a)(1)**: Findings and Conclusions of the court. Judgement on the appeal on partial findings which states, in all actions tried upon the facts specially and state separately its conclusions of law thereon and direct the entry of the appropriate judgement. Justice Redmond understood that Mahershal Simonet pretended to be a boyfriend and coerced me to offer up my tax and bank information to a fraudulent Tax CPA, Derrick Brown. He further understood that Derrick Brown worked alongside A10 Capital who deposited \$41,766 for the purpose of water entrapment on a boat and A10 Capital did not need any money to be repaid.
- 4.) **837 Penal Code**: Citizens Arrest Request for Mahershal Simonet on the charge of Fraud (532 § P.C), Coercive Control (SB § 1141), Extortion (518 § P.C), Severe Trafficking In Persons (22 U.S Code § 7102 (11) (B)), Attempted Kidnapping (18 USC § 1201), Bank Fraud and Unfair Method of Competition (15 US Code § 45), for the purpose of human trafficking.

STATEMENT OF THE CASE

On June 7, 2021 a temporary restraining order was filed against Mahershala Patrick Simonet declared as Mahershal Simonet through the Family Justice Law Center located at 3170 Loma Vista Road, Ventura California 93003 through advocate Monica Alamillo with an email address of monica.alamillo@ventura.org and a phone number of 805-826-5048. It was my understanding that the Family Justice Law Center would be presenting the complexities of this case as my assigned community organization.

Sex trafficking through Mahershal Simonet's business partner, Derrick Brown, was brought to the attention of Ms. Monica Alamillo and it was expected that she would handle the continued filing against Derrick Brown, A10 Capital LLC, and Jerry E. Dunn as she did against Mahershal Simonet. Monica Alamillo explained that this was too serious and I could go to self-help. The In Pro Per status was then subsequently disrespected by Judge William C. Redmond's secretary, Monica Acuna, at 805-289-8772, who intentionally did not file a presented DV-100 packet to her office against Derrick Brown of Inglewood, California. It was her position that I have a court-date and I can simply speak to the Judge. This case is regarding the elusion of a Sex Trafficking onboarding process.

Judge William C. Redmond understood that my absence has everything to do with a safety issue as this true information leads to conversation about online linkages leading to The Monarch who is Queen Elizabeth the Second enslaving the blacks. This is the finding and the truth to be told, not a political endeavor against Great Britain, but, rather, a report from the community about what has been found that they are doing to America. Judge William C. Redmond unjustifiably dismissed the case with

prejudice. The Justice simply did not know that I was a different black and I would know what that means. He believed that I would not understand something, so, he did it. Because the Justice set me up not to be able to return, I needed to hold Mahershal Simonet in judicial guideline timeframes to ensure the issue is properly reported and *still* thoroughly addressed. After a suspected pandering incident that took place between Mahershal Simonet and myself on May 8, 2021 incident number LHS-2115000128, Mahershal actually returned on May 13, 2021 to demand a Karl Lagerfeld jacket. It was on May 13, 2021 after an extremity rude behavior, I stick up for myself. I speak up in the relationship, and, I exclaim to Mahershal, I say, "Can you treat me like I am Celiah's mom? I am a mother, you know, can you treat me like I am someone's mother?" Listen to me: Mahershal Simonet seriously fell into a daze about my being Celiah's mom, and, this young man seriously returned to my home specifically to find out how much of a mother I would be, and he intended to take Celiah about my remark. Mahershal Simonet came back on May 25, 2021 to test my Title. Mahershal Simonet is not angry about being caught human trafficking. Mahershal Simonet is angry about my not forever being depressively lost about losing Celiah. -I'm happy with my baby, so, he is mad- makes it to court. It was this moment here, the requesting of Celiah who was twenty-one at the time, placed me in a mental position about the deposits he feverishly worked on for me to retrieve through his sex trafficking partner, Derrick Brown. These two deposits that were wired into my home were seriously reviewed by myself requesting Celiah to board the Gypsy Lounge. The online experience is at-issue and will remain an issue to this country.

First, who sent these two deposits of \$20,883 amounting to \$41,766.00 on April 23, 2021 and also May 6, 2021?

Second, why can't I understand who sent the deposits simply in my online portal? The online portal simply states, "Wired Funds Received". It doesn't tell me who wired the funds.

Third, why do I have to contact my bank to personally know who wired money into my bank account? And now, why is there a security measure on behalf of the depositor that it took me an entire week to retrieve the name A10 Capital LLC as the company who sent the funds. This explanation here, is why others are not able to come forward. Others are not able to come forward to create a high-numbered complaint issue because no one who receives the money from the trafficker knows who sent it. Only I know who sent it.

Fourth, who is A10 Capital LLC, simply per Google? A10 Capital LLC has a website located at www.a10capital.com and also has a presence on Bloomberg which matches the address on the A10 Capital website of 800 W Main St #1100, Boise, ID 83702. The Bloomberg profile for A10 Capital LLC has an address match on this website. This tells me, the A10 Capital Profile on Bloomberg, is the accurate profile for this company which means the Bloomberg profile information is accurate. Because the Bloomberg information is accurate, we find, that Business Executive Mark A. Hemenetz is A10 Capital LLC's is with a Title of "Single Board Member". Now, Mark A. Hemenetz is at-issue about the deposit. Who is Mark A. Hemenetz? I clicked on his name on the A10 Capital profile, to learn, he represents Schroder Investment Management North America Incorporated. This is his company. The company website

is www.schroders.com. This website is utterly captivating. Look at it! It clearly displays a young black girl that is supposed to advertise Real Estate and Asset Management. To me, the website conveys a silent message to the community, *"that you can get a black girl here"*. This is what I see. The website features key words that don't make any sense, like, "Modern Slavery Statement", "Slavery", and "Human Trafficking". Key words are presented cunningly to let a buyer know that they are in the right place. Why would Mark A. Hemenetz, who has control of the website content on the website, Your Honor, why would he think to have these words on the website. This is a criminal organization. He quietly tells the buyer, "this is it, you're here" is what I see.

Fifth, who is Schroders? According to Google, Schroders is headquartered in London. This is the United Kingdom. Now, what is this? What is this video on the Royal Channel about it being the Queen that opened up the new Schroders headquarters on November 7, 2018. Oh my God! That is the Queen, the Queen owns Schroders which is a slavery company!! The Schroders website gives us an address of 1 London Wall Place, London EC2Y 5AU, UK featuring the young black girl sending off that type of signal, and an article, produced on the same website on November 6, 2018 confirms her Majesty to have opened up Schroders new headquarters located at 1 London Wall Place, London EC2Y 5AU, UK.

The Queen is connected to Schroders who is connected to Mark A. Hemenetz who is the single board member of A10 Capital LLC who placed \$41,766 into my bank account to entice a human being to board a boat for the purpose of human trafficking, therefore, I exclaim, "The Queen tried to take my baby!" Now, if this is so, what was she

doing at Booker T. Washington Middle School on May 17, 1991 around indigent African-American students if she is selling black girls?

Sixth, what else can I find on this A10 Capital company, who owns it? Who owns A10?! We know they are in Boise, Idaho. Common sense produced a business search on the Idaho Secretary of State Website. According to a Foreign Limited Liability Company filing, A10 Capital LLC is formed by businessman, Jerry E. Dunn. Mr. Dunn would be attached to my deposit.

Seventh, who is Jerry E. Dunn? Where is he and what does he do? According to Been Verified, he is the owner of two companies that create imagery that he is the head person in charge of a flight situation for a trafficked victim. He formed Aviation Securitization which is translated to mean, "To secure aircraft". He also formed Aviation Finance Group which is translated to mean, "To finance aviation professionals". Jerry E. Dunn, whose company deposited \$41,766 into my bank account followed by an invitation to board the Gypsy Lounge Personal Boat without the need of a repayment plan documented the fact that he secures aircraft and finances aviation professionals on the Idaho Secretary of State Website.

I saw the Officer community disrespected missing people due to humanism, immaturities, and racism. I saw that the human trafficking system could have truly been stopped right now and trafficked people returned home had professionals listened, believed, passed on lunch time, and had a desire to work. But, rather, I received an attitude that this is too much work and officers genuinely elected to do something else with thier lives.

In an effort to prove to the court, extenuating circumstances, for direct involvement, The 911 call began with a personal connection to Voices United Alum, Officer Anthony C. Stafford. This man was authorized by my high school principal from New World School of the Arts, Ellery Brown, to arrive to our Miami campus on Saturdays alongside high school social-lite, Katie Christie, to produce performing arts shows and travel these performances around Miami and Washington D.C. During the year, roundabout, 2009, his side-kick, Katie Christie requested that I become the new Voices United leader for the Los Angeles, California area. She was very passionate about her request. However, I had just arrived to Los Angeles California the same year and the transition was too strong for me, I was not ready to take on a Voices United project that intensely. Katie Christie reprimanded my decision with a denial of Celiah DeLoach into her Voices United Organization while growing up in Los Angeles. Katie Christie declined to allow Celiah into the Voices United community because I just got to Los Angeles and did not really know what I wanted to do or how I wanted to get started in conjunction with raising Celiah at that time.

Officer Anthony C. Stafford was the first individual I relied on to open up the investigation, get organized about the crime committed against me, and bring the matter before the Justices of the court. However, the Officer went with the mentality of Katie Christie, offended that I did not become her Los Angeles leader stemming from my work for her as a minor. Anthony Stafford passed on helping me with a Sex Trafficking matter on behalf of the disapproval of Katie Christie. And these type of acts amongst classmen from New World, because of the depth of the consequences, would need to be professionally addressed through a professional forum about the USSC

decision. That type of response to my family from a child-hood connection because I was disrespected by Katie Christie will be looked upon by the court. He understood Derrick Brown was in his jurisdiction. This particular Officer was with special duty to arrive to my apartment right away. Officer Anthony Stafford may be located at 818-962-0191 and antstaffspeaks@gmail.com.

Once I understood that the entertainer turned Officer seriously would not be arriving to my home, the next officer encounter on this matter, was at the Lost Hills Police Station alongside Attorney Victoria Markovna located at 31943 Agoura Rd, Westlake Village, California 91361 on May 30, 2021. The policeman responsible for the complaint intake gave me incident number LHS2115000128 and he explained that the intention to pimp me on May 8, 2021 was only an intention and an intention did not qualify for the pandering crime to be processed.

The Officer sent both myself and Attorney Victoria to the Thousand Oaks Police Station located at 2101 E Olsen Rd, Thousand Oaks, CA 91360 where we met with Officer R. Zamora. A misfortune to the PPP victims of Derrick Brown and Mahershal Simonet, Officer Zamora had been recently called to Mahershal Simonets apartment complex called the YOLO apartments on Maegan Place on a music call. This encounter between Mahershal Simonet and Officer Zamora created a sense of male camaraderie between the Officer and Mahershal. The Officer took this moment with him and protected Mahershal Simonet from a trafficking claim. He confided in me that Officers are not to deny a "Keep The Police" strategy amongst neighbors and live-in partners. Being that Mahershal Simonet demanded his Karl Lagerfeld jacket out of my apartment which could have led to violence between us had I not returned it, the

Officer is out of line not to have questioned Mahershal about where Celiah was going once I placed her by my side to board the boat at his calamitous request.

I believe the court is with an authority to terminate Officer R. Zamora for knowing that he can't deny a "keep the peace" call and refuting to question Mahershal about where Celiah was going when a Keep The Peace call was at hand just because he met with him and favored him from playing music too loud at the YOLO property. The Officer may be reached at 805-494-8200 and Officer R. Zamora has a badge number of 5349.

I proceeded to move forward to Inglewood, California where I felt the bulk of this crime truly took place. On June 24, 2021, I personally traveled from Thousand Oaks, California to the Inglewood Police station located at 1 W Manchester Blvd, Inglewood, CA 90301 to file an official police report on the deposits. It was Officer Anthony Stringfellow that decided I did not need a Police Report Number to investigate a crime because he heard the whole story and he focused in on ADJ Tax Services Website. The Officer ignored the crime of Human Trafficking and explained that ADJ Tax Services is a website therefore this is a Civil Matter, the Officer was finished. He gave me incident number 21-39544.

The dismissal of the Officer led me to request a Black Female Cop. I said, "May I speak to an Officer who is a Black Female?". Officer N. Loudermilk, a Black Female Cop, responded like Officer Anthony Stafford responded to Katie Christie. The black female cop pulled out a trick on the community to usher me out of the police station. She explained that the phone number, (310) 412-5211, was her personal cell phone number and to give her a call the next day. I sent a text to find out when was a good

time to sit down and talk to her. I noticed she did not respond so I gave the number a call. The personal cell number given to me by Officer N. Loudermilk was simply the number back to the Police Station. She stupidly exampled the heart of Anthony Stafford and got me out the station on behalf of her associate so they could both move on with their day. These officers here, Stringfellow (Badge No. 1023) and Loudermilk (Badge No. 836), are the black officers that are responsible for the women who sailed after the May 6, 2021 deposits from A10 Capital on the Gypsy Lounge boat through Derrick Brown and Mahershal Simonet, were not located. These are the officers that were responsible to create a rescue team and dispatch jet ski assistance and work with the HarborMaster, but, rather, they just wanted a complicated matter to disappear. I apparently bothered thier brains. The Officers may be located at 310-412-5211.

These Officers upset me. The upset led me to file a complaint or speak to their supervisor because Human Trafficking was clear before me. This move was incredibly offensive as I learned on the route to filing a complaint against them, that, there is an entire Human Trafficking department on thier same property. I was forwarded to Watch Commander Brent Birkbeck (Badge No. 851) and Daniel Diaz (Badge No. 806). These officers took information and never returned to me.

Collectively from the Inglewood Police Station encounter, Stringfellow's email address is astringfellow@cityofinglewood.org, Loudermilk's email address is nloudermilk@cityofinglewood.org, Birkbeck's email address is bbirkbeck@cityofinglewood.org and he has a direct phone number of 310-412-5206 and Investigator Daniel Diaz has a phone number of 626-827-1271. I was surprised and maturely moved on to HarborMaster Sergeant Carlson of the Marina Del Rey Police

Station to get started right away on retrieving the information to the boat. Who owns it? Was the plight.

The response of the HarborMaster was that I was the general public and I needed to work with someone of a legal status and title to request and retrieve the information after everything he heard. After everything that he heard, he sent me away for no reason other than my being without representation. The Harbor Master is located at the Marina Del Rey Police Station with an address of 13851 Fiji Way, Marina Del Rey, California 90292 and with a phone number of 310-482-6000 and he has an email address of bscarlso@lasd.org and his employee identification number is 278026.

This Officer here, understands that the Gypsy Lounge Boat - Long Beach located at the Marina Del Rey Resort, 13534 Bali Way, Pier Gate F-1000, Docking Space 9, Marina Del Rey California 90292 is a boat reported to be trafficking black women. He let the boat sit there and he allowed the boat to continue to operate until a professional person with a legal title arrives to open the investigation. The Harbor Master is looking for someone to tell him what to do with a subpoena or court order. My letting him know that I am Celiah's mom and I believe this is the boat that my daughter was to be transported on for sex trafficking was simply not enough for the Officer.

Angrily, I knew that I needed to document the Queen. It was on November 5, 2021 that I visited with Detective Todd Welty (Badge No. 3075) at the Thousand Oaks Police Station at 2101 E Olsen Rd, Thousand Oaks, CA 91360. When I understood that the original statement would not be forwarded to a detective by the house-call officers, I reached him. Todd Welty determined that the Police Report against the Monarch was a political view, artificial, and unreal. He doesn't document that the depositor, A10

Capital LLC, has a single board member named Mark A. Hemenetz, according to Bloomberg.com which is the online source that links to Schroders Public Limited Company understood to be owned by Queen Elizabeth The Second. He ignored public resource documents and he makes an admission that Mark A. Hemenetz is in fact her executive, and he states, "Her executive giving you that money doesn't make her a trafficker. I'm not interested in the boat. Go somewhere else." ON TAPE. I could not believe he said anything like that to me on tape that simply needed to be requested through a court order or a lawyer.

His overall position was that I did not return the money as soon as it was deposited and he felt I could not prove that there were no terms and conditions to a fraudulent company. Detective Todd Welty then gave me a direction to work with the trafficker directly about missing documents such as the repayment plan and terms and conditions. He answered "no" to contacting A10 Capital LLC to inquire of the terms and conditions of the loan, understanding that I felt they were trafficking. He told me to find the trafficker and work with them. This occurred on November 25, 2021. Detective Todd Welty gave me incident number of 21-144117 and he is with a phone number of 805-494-8224.

The response of Detective Todd Welty was forwarded to Boise, Idaho Police Station and Detective Penelope Hansen (Badge No. 7040) was assigned. Another misfortune for the PPP victims of Los Angeles, CA. The Boise, Idaho detective is also a mental health coordinator, and I believe the Officer thinks I am crazy. She was clearly told that the Black young girl on the Schroders Website linked by A10 Capital's Mark A. Hemenetz Bloomberg profile, is a subliminal message to let the

participating criminal community know, "You're in the right place to purchase a black girl." is seen here. This woman simply did not travel to A10 Capital LLC located at 800 West Main Street, Suite 1100, Boise, Idaho 83702 which is only a 6 mile distance from her office at City Hall West, 333 N Mark Stall Pl, Boise, ID 83704 to investigate computers to disprove my thought. Her disrespectful act, "of not needing to disprove my thought" is going to place her in court about my finding. I have an interest in Detective Penelope Hansen being prosecuted for every black female that they took from the 2nd week that she understood. Why? Rather than trembling and investigating the A10 Capital Fraudulent PPP Lender, she determined that there was not a need to go to the bank, and she just sat there and didn't do anything at all.

Let the record show, it was on March 6, 2022 at precisely 1:18pm, that I genuinely sent in a dispatch to Detective Penelope Hansen, upon the seizure of computer systems of Aviation Finance Group, located at 4355 West Emerald Street, Suite 100, Boise, Idaho 83706 and a phone number of 208-472-2350 where I believe PPP victims would be organized in a computer system to be uploaded to the bottom of a luggage compartment of a commercial flight, on this day, I told the Detective that a Pair of F-16 S Liner Fighter Jets would be an appropriate dispatch to a plane transporting a victim so long as the flight information is found by the Officer. I need help as the Officer did not respond and I believe I am right. Aviation Finance Group is a spin-off of Aviation Securitization formed by A10 Capital's Jerry E. Dunn according to the July 5, 2021 Been Verified Profile search.

The FBI Agent who is actively taking time to look into this situation is Young Oh. She has not come up with a determination as of yet, but, the information has been

provided to her and there is confidence that she is looking at it as of the date of this filing. Young Oh has an address of 11000 Wilshire Blvd #1700, Los Angeles, CA 9dire0024 and a direct phone number of 310-996-4114 and an email address of yjoh@fbi.gov.

Charles Schwab, the bank account in which the sex trafficking tactic funds were deposited into was told about the incident. On October 12, 2021 Rosaura Bernal created a complaint record with an ID No. of CA701773. The Charles Schwab Fraud Department and neither the assigned investigator gave me a call on the matter. They were told that the deposits were being deposited into the accounts of black people to entice them to travel on water for the purpose of human trafficking.

The National Human Trafficking Hotline with a phone number of 888-373-7888 determined that they would not be forwarding the Hotlines Case No. 992187 to law enforcement due to them having limited resources. The intake coordinator needs to go to jail as the Gypsy Lounge Boat at the Marina Del Rey Hotel is truthfully being used for human trafficking and the timing guidelines to keep Mahershal Simonet before a Justice of a court is running short.

A detailed email was sent into the Los Angeles Police Department called the Exploitation & Investigative Section of the S.H.A.R.E Tolerance Program which stands for Stop Hate And Respect Everyone in the Detective Support and Vice Division Hate Crimes Unit at hatecrimesunit@lapd.lacity.org. No correspondence was returned.

Family Member who is a Retired Government Employee, Fire Chief of Coral Gables, Hope Denise Simmons Gibbs, was requested to assist me through the Judicial

processes and ensure a police report was filed against the Depositor, A10 Capital LLC, however, a sibling rivalry related case prevented her from ensuring a detective was assigned. Alongside this case, I will be in a dual battle for my nieces through a court of law. Family charges will be filed about an African American Female Fire Chief not being present with me at this time. Her former colleague, Meralva Asensio and current Fire Chief of Coral Gables, Marcos De La Rosa, was privately requested to solve her problem and assist me to file the report. They did not respond upon learning she was emotionally unavailable on behalf of a sibling. Her nearby Ocala Police Chief, Michael Balkin, was emailed promptly upon that type of immature decision to mbalken@ocalapd.org. He didn't respond to the Los Angeles Trafficking event in her name.

In Miami, Florida it was Sergeant Quintas at 305-471-3518 and with an email address of directorsoffice@mdpd.com that listened to a one hour and a half audio clip about my childhood experience with the Queen and why I felt she took someone from Booker T. Washington. Sergeant Quintas spent some time with my audio clip. He determined that a Detective from California would need to open up the investigation and involve him from there. He didn't respond to a former student without help from Detective Todd Welty, Watch Commander Birkbeck, or Detective Penelope Hansen. These are the type of individuals that is needed to open up the investigation to question the Royal Family on why Booker T. Washington was selected by thier regime and exactly who made the contact and the arrangements about having our students perform for her. I was surprised at the Appellate Level as my statement was clear.

The District Attorneys Office in the County of Ventura and also the District Attorneys Office in Los Angeles County both denied to work directly with the General Public on a matter such as this without an officer turning in the results of an investigation. In Los Angeles, California, it was Whelma Llanos, Deputy In Charge of the Bureau of Specialized Prosecutions, in the Sex Crimes Division and Human Trafficking Section that decided she simply did not have to work with me on the matter of human trafficking as the general public. The deputy can be reached at the Hall of Justice, 211 West Temple Street, Suite 900, Los Angeles, California 90012 and with a telephone number of 213-257-2027. She is with an email address of wllanos@da.lacounty.gov. It was District Attorney Investigator I, Freddy Padilla in the Government Fraud Unit, that received the information and needed to forward to his supervisor. He may be reached here: 646 County Square Drive #300, Ventura, CA 93003 and (805)477-1612 and his email contact is Freddy.Padilla@ventura.org.

It was Attorney Leah Medway and Pro Bono Manager, Sara Malan of Perkins Coie Law Firm, that denied Pro Bono representation on the basis that I am from the general public and without relationship to the Law Firm. Inquiry can be made unto these Law Professionals at (415) 954-3225 and smalan@perkinscoie.com for Sara Malan and (206) 359-3985 and lmedway@perkinscoie.com for Leah Medway. It was Prosecutor Nyjat Rose-Akins from Seattle Washington that decided she would not be an advocate to land my family representation because she terminated a trip to Walt Disney World for Celia DeLoach several years ago and she did not want to deal with the energy of embarrassment. This statement was important because I exclaim, "Immaturity is on the line of criminality." The historical relationship between Attorney Nyjat Rose-Akins

and myself will be produced at the Washington State Bar for an ethical situation with the public to be reviewed for her disbar about my being alone before you. She is currently running for Municipal Court Judge Position 7 in Seattle Washington. Her Washington State Bar Association Number is 41387. She may be reached at (206) 684-4375 and her email address is nyjat.rose-akins@seattle.gov. I think her decision not to assist me with maneuvering the judicial processes on this matter is disrespectful toward our Nations Youth and should be brought to light as she is knowingly hindering the prosecution of human trafficking crimes against young black girls.

At this time, I think that it is a good idea to share with the court, that there was a special humanitarian performance toward a young black girl from Darfur Sudan assigned to me for a six month time span. There was a country to country response, America to Sudan. My life had a serious problem with President Al-Bashir and Community Service Supervisor, Jany Deng, from the Arizona Lost Boys Center, decided that he would not be assisting me with landing representation trying to unveil and prosecute a trafficking company because I did not initiate a permanent relationship with the mentee as my sister-girlfriend or played the role of Aunt toward her daughter upon the completion of the contract. He ultimately deletes the spirit work of Christ given to her through me, and, disrespects me spiritually and immaturity for moving forward with my life after a relocation to Los Angeles, California to pursue a career in Entertainment and the Arts. This is important because representation should be here. I need you to open the investigation, and I need you to see clearly why a lawyer is not present at this time. More notably to the court, on a matter like this, it is important to weigh the emotional weight inflicted upon me by Jany Deng because upon my

has rose from 26 Million to 28 Million people this year. This increase should affect the court to question and consider the prosecution of Justice P.J Gilbert and Justice Kenneth Yegan for seriously laughing at the idea of transitioning the court building located at 200 E Santa Clara St, Suite, 200, Ventura, CA 93001 to the Central Location of Authority on the matter of Human Trafficking. What the Appellate Court officials proved is that the authority, and all of them, seriously is not working on the problem.

Everyday that they do not work people stay missing. This case statement is truly a voice for the gone. It comes off like shutting down the human trafficking system is either too much work or known about and protected by the authority. A protection by the authority to keep human trafficking moving forward would need to be forwarded to Justice Clarence Thomas and Justice Ketanje Brown Jackson. If the authority is not protecting the Trafficking system, knowingly, then, their outlook that they are not family to the community would be an immaturity on the line of criminality because of the depth of the consequences for the community. The Appellate's court position is, "I am not your Father, I do not help you go free from human trafficking." In opposition to how they feel, receiving a tip to how to shut down human trafficking, and determining that they are not family, so let the victims remain should be reviewed for prosecution. This case statement clarifies why our Meghan Markle had such a treacherous experience with Queen Elizabeth the Second. Meghan's mother, Doria Ragland, is a black woman. Ragland was seen by Elizabeth one full year after Harry had met Meghan. Harry took Meghan and the Queen had a problem with the mixing of the races. The Monarch understood that Meghan was actually a black girl and Harry protected Meghan from the prejudice physically, but, hidden news is, to the Queen, if it

- 3) Sex Trafficker, Derrick Brown, collected my information, and told me that my documents were being circulated to several banks. He reported that A10 Capital LLC approved me for a PPP Loan. He went through an online verification process over a telephone conversation with me. There was an online process that I needed to go through in which he acted as my agent and completed the process with me verifying my identity over the telephone. Sex Trafficker, Derrick Brown's website, www.adjtaxservices.com, placed on pictorial exhibit, Mahershal Simonet's live-in girlfriend, Alexa Brown, who also lives with him at the YOLO Apartments where arrests can be made at 71 Maegan Place, Unit 106, Thousand Oaks, California 91362. During the onboarding processes of a human trafficking mission, she clearly tells the community on the Testimonial page, "ADJ Tax Services far exceeded my expectations! Derrick and his team provided professional, accurate, timely, and efficient analysis of my tax needs. I have worked in the ER for several years and owned my own business simultaneously so my taxes were a bit complicated but they made the entire process easy and painless. They are always available to answer questions and they respond in less than 24 hours even during the height of tax season. I will be retaining them permanently and have referred many of my family members, and coworkers whom now only use ADJ Tax Services as well. ~ Alexa Brown."
- 4) On April 23, 2021, a first deposit in the amount of \$20,883.00 was deposited into my Charles Schwab bank account by an unknown person

posing to be a PPP Lender. The deposit was referred to as a "first draw" by Derrick Brown. There was a second draw on May 6, 2021.

- 5) After Mahershal Simonet requested Celia DeLoach, my then 21 year-old daughter to board the Gypsy Lounge personal boat, I frantically and curiously signed into my online bank portal with Charles Schwab to understand who sent the wires to my bank account as now the sender became suspicious. The customer online portal did not encrypt the depositor's name on the computer screen but rather stated, "Wired Funds Received". This type of itemization for that type of money struck me as very odd. Why can't I see who wired money into my bank account just on my own and by myself? This self-inquiry prompted me to contact the bank. Money Movement Call Center Representative, Jacob Donlan, explained there is a security measure put in place for the depositor, and the customer, the wire receiver, would need to initiate a request for the name of the sender information. Jacob Donlan explained it will take 7-10 business days for the information to be emailed to my message center inbox within the online portal. It was on June 28, 2021 that I received an email to my service message center that the wires were received from a company called A10 CAPITAL LLC. According to Charles Schwab, the Federal Reserve sends the wire to Citibank first as the intermediary employed by Charles Schwab to accept wires into their brokerage firm. So more detailed information on the actual executive that sent the wires could be subpoenaed from Citibank Legal Department, P.O Box 6500,

Sioux Falls, SD 57117-6500. The initiation of the wire transaction starts with Citibank who filters the personal detailed information of the wire sender and simply sends the wire to Charles Schwab. Citibank tells Charles Schwab who sent the money but Charles Schwab only reports Wired Funds Received. The customer has to inquire as to who sent the funds by calling the bank and initiating the process. There is a research phase and then email is sent to the customer.

- 6) The Google experience is clear. A10 Capital LLC has a website located at www.a10capital.com which lists a work address of 800 West Main Street, Suite 1100, Boise, Idaho 83702. On the same Google research page, we find the company has a business profile on Bloomberg.com which is a credible public data and financial news source. The A10 Capital Bloomberg profile tells the public that Business Executive Mark A. Hemenetz is a Board Member of A10 Capital LLC. Mr. Hemenetz has his own standing Bloomberg profile for himself. His personal Bloomberg profile tells the public that he owns website www.schroders.com. When we take time to look deeper, we click on the hyperlink to take us to Mark A. Hemenetz's personal website which is schroders, and, we see this large picture of a young black girl next to large letters which reads 'BEYOND PROFIT' and "Profit is only the beginning". Mr. Hemenetz is responsible for the website content so this is the executive that thought to place key words on this website such as "slavery", "human trafficking", and "Modern Slavery". While he talks about these words in a different and

professional light. He is being discovered to be a criminal organization, so, the thought processes of these words, are forming a serious image of Schroders indirectly confirming that the customer of a black girl is in the right place. He does have to communicate with a specific audience. These key words is my strong idea on how he confirms slavery of black women for the audience that will purchase black women in this manner. The picture and the website is saying, "You can get a black girl here". The Schroders website, controlled by Mark A. Hemenetz, tells us where they are. The Schroders Public Limited Company now suspected as a Slavery Business infiltrating sexual exploitation and death on the United States African-American Female is located at 1 London Wall Place, London EC2Y-5AU. Next, we have a big YouTube story on the Royal Channel, dated November 7, 2018, and entitled, "Queen Opens New Schroders Headquarters in the City of London. Directly, on the Schroders website, there is an article dated November 6, 2018 which is also entitled, "Her Majesty The Queen has officially opened the Schroders new Headquarters in London. This article here confirms the suspected Slavery Business work location of 1 London Wall Place, London, EC2Y-5AU to be spear-headed by the Monarch and managed by Peter Harrison, Michael Dobson, Bruno Schroder, Richard Keers, and several others. The Queen has been connected to the deposit into my bank account purposed to trick me into a trafficking war-zone situation because Mark A. Hemenetz is the apparent worker of A10 Capital. His Bloomberg profile

purpose of Sex Trafficking is JERRY E. DUNN. Mr. Dunn forms this company out of the State of Delaware but physically in the state of Idaho on a Registration of Foreign Limited Liability Application with a Control ID number of 221268.

- 8) According to a search on Been Verified.com performed on July 5, 2021, which is a people-locator, purposed for court proceedings, the selected profile would be accurate on Jerry E. Dunn as it lists the fact that he is the President of A10 Capital LLC and now lists the fact that he also formed a company called AVIATION SECURITIZATION. To the public, the term "Aviation Securitization", means to secure aircraft. The profile also introduces the fact that Mr. Dunn formed another company called AVIATION FINANCE GROUP. To the public, Aviation Finance Group means, to finance aviation professionals such as pilots and ground crew. Therefore, the following statement is true and accurate: Jerry Dunn's A10 Capital company deposited over forty thousand dollars into my bank account to request that I travel on a boat through the relationship to Mahershal Simonet and Derrick Brown. Upon understanding that the boat was for the purpose of human trafficking, this same man, Jerry E. Dunn, was prepared to secure by body on a commercial flight with the assistance of financed aviation professionals which translates to the onboarding processes of Human Trafficking which is also known as Modern Day Slavery.

Number 208-472-2350 and look at this, website at www.pnc.com . The website leads to PNC bank which has a public networth of 560 Billion Dollars and is accessed by JERRY E. DUNN because he is the one who formed Aviation Finance Group. So, it is Been Verified that tells us that Jerry E. Dunn is the owner of Aviation Finance Group and it is Dun and Bradstreet that tells us Aviation Finance Group has a website of www.pnc.com which leads to PNC Bank. Jerry E. Dunn created and managed the human trafficking system using funds sheltered by PNC Bank for criminal activity. The public knows PNC Bank as America's Visa Credit Card. So, shutting down PNC bank is shutting down Visa is the sarcasm toward the black. Shutting down the human trafficking system is shutting down the economy of the United Kingdom which is the explanation to shut down the black. Shutting down a race of people on behalf of a country would be called Ethnic Cleansing which is a practice of Adolf Hitler. Unfortunately, our country simply did not pay attention to Queen Elizabeth the Second being raised by the Duke of Windsor, who is Edward Albert Christian George Andrew Patrick David known as Edward VIII who had extremely close, private, and personal ties to Adolf Hitler! She is factually raised by a Nazi and infiltrated Nazi mentality on American soil. They created a business style systematic approach to cleansing the African-American. The blacks need an orator from the community. The community needs the authority to pay attention and court-order a freeze to all bank accounts managed by A10 Capital and the

a lot of money toward the community. These meetings are considered "Missile Strikes" to the community as the executives are paving the way to human trafficking. A10 Capital STRUCK at the United States at the San Diego Convention Center on September 28-30, 2022, Booth 1636 through ICSC at Western which stands for Innovative Commerce Serving Communities according to LinkedIn. This is dangerous. They are using a community resource, a platform that people trust to attract businesses searching for money. They struck on August 28-30, 2022 at the Orange County Convention Center in Orlando, Florida at Booth 3012. They struck the community on May 22-24, 2022 at the Las Vegas Convention Center South Hall Booth 106. These meetings with the community are trickery onboarding processes to human trafficking.

- 13) The current active and provable human trafficking executives are listed on the "Meet The Team" page of the A10 Capital website. The following names are the slave drivers of black women and whoever proceeds in their processes: Jamie Berenger, Jackie Cox, Jerry E. Dunn, Mark Klipsch, Toby Prehn, John Spengler, Ken Wilson, Alex Biagioli, Ryan Boyd, Kurt Gregg, Alisha Hill Koontz, Tyler Jackson, John Jardine, Sydney Leyton, Tommy Mellow, Dan Pavlinik, Greg Roukema, Michael Singh, Jeffrey Weingart. These are the human traffickers that should be the first to be arrested, not necessarily, the only ones to be arrested after the arrest of Mahershal Simonet and Derrick Brown.

After examination of the Paycheck Protection Program Scam, the report to my country is this: Apparently, the black is being preyed upon for not following money and not understanding the qualifications of the loan. The A10 Capital Human Trafficking team is calling a portion of the world "stupid" by clearly selling them the idea that they qualified for an astronomical amount of money in which the receiver of this money understands that they will understand how they qualified for the loan through A10 Capital acting as an "agent". The portion of the world that does not self-initiate learning but rather rely on the learning power of who they believe to be their agent is at-issue. And then, there is a complicated factor about saving the black, from the standpoint of the authority because the money was deposited, the receiver took the money, didn't qualify, and got trafficked. The authority is not able to ignore, the mistake of the black. After the black makes this error, they qualify to be saved, because of the serious entrapment process and horrible crimes committed against them in the custody of mankind upon the financial error. Our country would be in error not to save black people that fell victim to a trafficking situation because they did not understand the loan correctly. Question of law is at-hand allowing black life to be spilled for following a fraudulent bank that led to Modern Day Slavery. Rule 11 § U.S.C 2101 (e).

Mahershal Simonet is a participator of the Human Trafficking System sponsored by A10 Capital LLC whose Single Board Member is Mark A. Hemenetz who owns the Schroders Website featuring a young black girl that sends a subliminal message that, "You can get a black girl here" and is owned by Queen Elizabeth the Second. Jerry E. Dunn is the owner of A10 Capital and he also formed Aviation Securitization which

means to secure aircraft and Aviation Finance Group which means to finance aviation professionals such as pilots and ground crew. The investigation is still not opened per a battle of the races. The lower courts made it clear that the Black will need to financially achieve and end human trafficking. The mentality is of condescending sarcasm and over-sentencing the black. Human Trafficking is over-sentencing the black for not understanding the loan.

I have an ability to report "company ownership" of Black Women which needs to be appropriately processed and shut down by the Officer Community. A rescue team needs to form and be dispatched to the blacks who became slaves for receiving camouflaged PPP funds they believed they qualified for from the Small Business Administration. The intention is to write this down and ensure "The Blacks" of the Court receives it.

Judge William C. Redmond dismissed this case with prejudice believing that I would not understand what "with prejudice" meant because of the In Pro Per status. Therefore, the information was required to get to the United States Supreme Court Justices without delay. Even if this does not go public, the Justices of the USSC have an internal power to respond to the trafficking company safely and organized to be followed by prosecution. The public does not need to be persecuted in the streets for having this type of knowledge. Find a court location, commit the location to the Central Location of Prosecution on the matter of Human Trafficking, subpoena the organization of the computerized systems of A10 Capital LLC and Schroders Public Limited Company, discover victims and participators, prosecute criminals and release victims until the Human Trafficking crime has been eradicated from Planet Earth!

REASONS FOR GRANTING THE PETITION

In this case, the lower courts acted partially in a situation in which they were to act impartial as all races get flooded into the human trafficking system, but, it is the young black girls who are targeted. Even though the courts understood that other races are affected during the onboarding processes, the attack is essentially on the African-American community, so the Judges have ultimately decided that this is the responsibility of black people in judicial leadership not white people to free the slaves.

The writ should be granted because the Inglewood Police Department, Thousand Oaks Police Department, Boise Idaho Police Department, Miami Police Department, the FBI, and the Lower Courts of Ventura County did not open the criminal investigation against Mahershal Simonet, Derrick Brown of ADJ Tax Services, A10 Capital LLC, and the Schrodgers Public Limited Company producing the Monarchs' ownership making her May 17, 1991 visit to Booker T. Washington Middle School located at 1200 NW 6th Ave, Miami, FL 33136 questionable with enflaming emotions from a former student who marched before her.

The writ should be granted because an official police report was never truly filed therefore a free detective for the community was never assigned to link facts and bring serious speculations to natural truth. Discovery was denied.

The writ should be granted to open up a bridge between the blacks of the USSC and HarborMaster Sergeant Carlson of the Marina Del Rey Police about who owns the boat.

The writ should be granted to immediately arrest Mahershal Simonet, Alexa Brown, Derrick Brown, and all executives of A10 Capital LLC and the Schrodgers Public Limited Company to be transferred to the International Criminal Court located at Oude Waalsdorperweg 10, 2597 AK Den Haag, Netherlands. Oh! How this writ should be granted!

The writ should be granted to study the public resources that concerned the public so astronomically that a National Security Alert was dispatched from my living room. Been Verified, Bloomberg, Dun and Bradstreet, and Linked In online resources has produced the emotion of fear. Country must take time to study. This is not a quick matter here to connect the dots, however, the dots have been connected.

The writ should be granted to open up a conversation with the United Kingdom Regime who would be King Charles III and Camilla, his wife, Queen Contort about the passing down of the slavery business and sending Megan Markle home for the mistreatment toward her because her mother, Doria Ragland is black. Apparently, the amount of people that they have harbored in their system would be released upon the voice of the King. The King would have to say, "Release the Blacks back to the United States." And the payments need to stop being paid into the community to take black women.

The writ should be granted to select a court building dedicated to the prosecution of participators of the human trafficking system which would be considered the Central Location of Prosecution on the matter of human trafficking. I would be especially concerned about an illegal fishing operation using the black female to bring up the

shark for the sharks fin and the seafood market. The court should not be turning their back on that type of death and wait for a family member to stop it.

The writ should be granted because the prosecution of P.J Gilbert and Kenneth Yegan and the Chief Justice of the California Supreme Court should be placed into custody for not assigning the lawyer.

The writ should be granted because I seriously suggested to place an Emergency Federal Protection over black women right now which is the character of Jesus Christ toward them, therefore, this writ should be granted. The writ should be granted because the Whites successfully kicked God out the court producing Separation of Church and State which prohibits my filing to be recognized as a form of worship. You have to grant the Writ to Act for God.

The Writ should be granted because the United States would intercede with military might if China attacks Taiwan according to the Taiwan Relations Act, so, it would be a matter of ethical questionability as to why the United States Government would not act for the African American Female population being kidnapped and sold by the leaders of Great Britain for profit and sustainability.

Who is God?

God is a *person*.
