Re: Michael Paul Conn v. State of West Virginia (No. 22-6121)

Dear Mr. Harris:

The Court docketed a petition for writ of certiorari in the above-captioned case on November 21, 2022. The Court has requested that the State provide a response. That response is now due February 6, 2023.

Respondent respectfully requests, under Rule 30.4 of the Rules of this Court, that the Court extend the time for Respondent to file its response by 21 days, to February 27, 2023.

Respondent has not previously sought any extensions in this case. The extension is justified because the attorneys principally responsible for preparing the response are set to be heavily engaged over the coming weeks with other previously scheduled matters before this Court, the Supreme Court of Appeals of West Virginia, and the federal courts of appeal.

Thank you for your consideration.

Sincerely,

/s/ Lindsay S. See
