Stacy L. Conner v. Bobby Lumpkin, Director

Stacy L. Conner

**CERTIFICATE OF COMPLIANCE**

In order to conform with the requirements of the Supreme Court's Rules & Procedures, Conner makes this statement assuring the Court (and your Clerks) that his "Petition for Writ of Certiorari", although not computer-generated, easily falls within the realm of allotted word and page acceptance. Conner, conservatively estimates a valid calculation of no more than 8,626 words as a total. Therefore, his 'Petition' should not be rejected for non-compliance. Thank You.
