**Re: Request for 30-day extension of time to file response to petition in
Sanofi-Aventis U.S., LLC v. Mylan, Inc., et al. (No. 22-628)**

Dear Mr. Harris:

I am counsel of record for the respondents, Mylan Inc. and Mylan Specialty, LP, in the above-entitled case. Pursuant to Rule 30.4, I write to respectfully request that the time within which to respond to the petition for certiorari be extended 30 days, to and including March 10, 2023. The petition for certiorari was docketed on January 9, 2023, and the brief in opposition is currently due on February 8, 2023.

Respondents seek this extension on account of other pressing obligations and the possibility that one or more amicus briefs will be filed in support of the petition for certiorari. The requested extension will enable respondents to respond any such amicus briefs, as well as the petition, in its brief in opposition.

Petitioner's counsel has indicated that petitioner consents to this request.

Sincerely,

/s/ Steffen N. Johnson
