**OFFICE OF THE CLERK
SUPREME COURT, U.S.**

22-6470

I Mary Ann Ellis is asking the court to please reconsider my case. I have more evidence to present along with more witnesses.

I'm asking for a rehearing because in the lower courts I was violated due to Racial Discrimination, Wrongfully termination.

Retaliation (due to reporting violations and cover ups)

Disability Discrimination (Denied work Accomodations)

Harrassment/Hostile-Toxic work environment

Negligence (Denied medical attention) due to an on the job work related injury which has resulted to permanent impairment. As of today my injury has worsen.

22-6470

I had/have evidence and witnesses but all of the evidence was Covered Up by the lower court. I can not seek employment due to my permanent impairment which leads to not being able to pay the filing fees. I'm pleading with the court to reconsider hearing my case.

22-6470

Honorable Judges

The grounds are limited to intervening circumstances of a substantial or controlling effect or to other substantial grounds not previously presented.

The Petition for rehearing is presented in good faith and not for delay.
